A GOOD RUN....
Gentle's family have owned and operated a business in Sanger since 1898

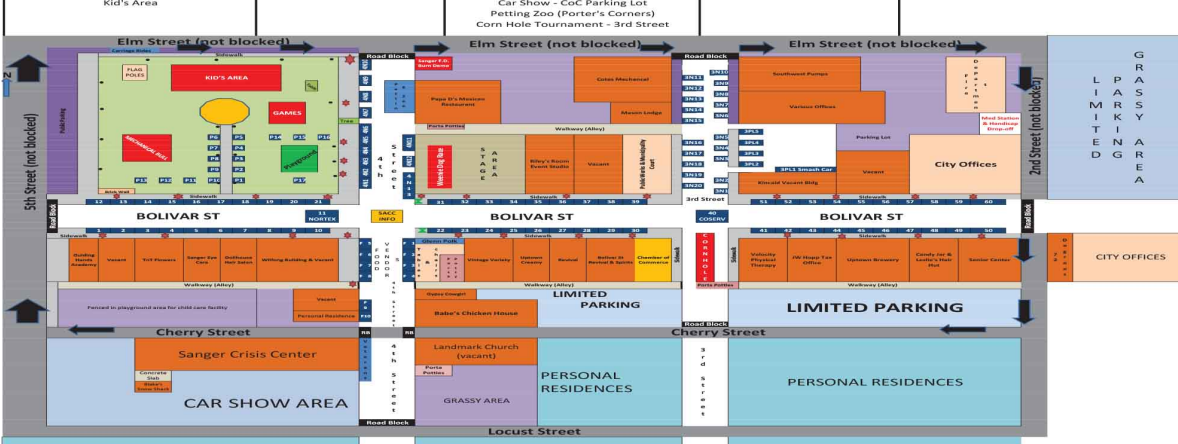

Michael and Randy Gentle take time for a picture, while cleaning out their building this week. Gentle's Oil and Tire closed last Friday.

Since 1898, the Gentle family has operated a business in Sanger - until last Friday. Randy Gentle retired the previous week, ending a 125-year run. His family owned and operated OM Gentle Hardware in downtown which opened in 1898. The hardware and implement store was located where Smith's Hardware operated until September of 2000, when the historic building burned down. OM Gentle, also stored plows and tractors in the building where Babe's Chicken is in downtown.

in downtown Sanger in 1947, where the current Chamber of Commerce is. They sold it in 1983. But, in 1980, Randy built his 30x80 shop, rebuilt wrecked cars, and sold them for 20 years. In 2000, he opened Gentle's Oil & Tire at 504 Bolivar Street and operated it with his son Michael. The father-son team worked together for nearly 25 years. "We were always together," said Randy earlier this week, while cleaning out the building. "We have accumulated a lot of stuff in 45 years."

OM Gentle was still in operation when Randy's parents Bill and Frances opened Gentle's Grocery around cars and started helping his dad in 8th

Daisy Perkins Masch

March 13, 1930 - October 15, 2024

We are saddened to share Daisy Perkins Masch died peacefully at home Tuesday, October 15 in Katy, Texas at the age of 94. Daisy was born March 13, 1930 to parents Berta (Dotson) and Onnimus Perkins in Cherokee County in East Texas. A depression baby through and through and one of 11 children on the family farm. She learned the value of hard work, sharing resources with others and importance of a Christian foundation.

She graduated Rusk High School and attended Abilene Christian College studying Education. Making the decision to enroll at North Texas State University she moved to Denton Texas and obtained a Masters Degree in Elementary Education. This detour lead to her meeting the love of her life Johnny Masch. They were married April 16, 1954. A 70 year union that produced two children and many happy adventures.

During a time when most moms were expected to stay home she was both a Professional teacher and a loving mom. Daisy taught elementary school for 34 years, a big supporter of public schools. She worked for New Summerfield, Sanger, Carroll and majority of her career at Denton ISD. Devoted to her students she mentored many over the years even after leaving the physical classroom.

After retiring from teaching in 1987 she enjoyed spending time at her farm in Ponta Texas picking blackberries, gardening, canning, sewing, volunteering for the clothing room and food pantry at Singing Oaks Church of Christ, attending Retired Teacher activities and traveling to see her children, grandchildren, and great grandchildren.

During The Pandemic she moved to Katy Texas to be closer to family and discovered new interests, friends and a church family at Cinco Ranch Church of Christ. Even in her 90's she loved life and never met a stranger. She will be missed everyday.

Daisy is survived by her husband John Masch, daughters Melanie Collins (Martens) Ontario Canada, and Janna Hirt (Mace) Katy, Texas. Grandchildren Collin (Bronwyn) Alberta, Canada, Madison (Brandon) Katy TX, Mallory (John) Katy TX, Daniel, Ireland and 7 Great Grandchildren Daisy, Darby, Danica, John, Jacob, Maeve and Rowan. Sister in Laws Melba Perkins, Tyler TX and Teena Perkins, Sacul Texas.

Graveside Services were held Saturday, October 19 at Myrtle Springs Cemetery, Jacksonville TX at 11 am.

Indians varsity football knocks off Krum, bye this week

On a night when Sanger's defense led the way to a 40-14 win over local rival Krum, it was a freshman in his first varsity start who made perhaps the biggest play.

The Indians went into halftime Friday at Bobcat Stadium trailing 14-12 after a back-and-forth first 24 minutes.

Krum got the ball to start the second half and began driving down the field looking to extend its lead, until freshman defensive back Chris Ramirez jumped in front of a receiver for an interception and returned it deep into Krum territory.

Sanger (3-5, 2-2 in district) scored one more third-quarter touchdown

on a 1-yard sneak by their quarterback Reed Sebastian, then added two more in the final period. Sebastian hit sophomore wide receiver Wyatt Pennington for a 16-yard touchdown, and senior running back Luke Thompson, a Drake commit, ran in from a yard out.

Thompson finished with 20 carries for 78 yards and the one score.

Sanger's two first-half scores came on a 1-yard run by sophomore Austin Martin and a 4-yard run by junior running back Reggie Jones, who finished with 16 carries for 101 yards and the score.

The Sanger defense pitched a shutout after halftime and forced three

Bobcat turnovers along with a trio of turnovers-on-downs, all in the second half.

That performance helped the Indians improve to 9-2 all-time against Krum. The teams have played all 11 meetings across the last 13 seasons since the Bobcats' first official varsity campaign in 2012, in which they won the first matchup.

Sanger took the next eight straight meetings before Krum's 37-13 win last year.

Sebastian helped lead the way to Friday's rebound win as he went 14 of 15 for 103 yards and two touchdowns alongside his one rushing TD.

The victory is also

crucial to Sanger's hopes of earning a playoff berth this fall.

The Indians are now tied for fourth in District 5-4A DII with Caddo Mills (5-3, 2-2), holding a half-game lead over Krum along with the head-to-head tiebreaker. Coincidentally, the two teams will both be playing Gainesville the next time they take the field.

Krum will head out to face Gainesville at 7:00 p.m. on Friday, while Sanger (bye this week) will host them at 7:00 p.m. on November 1st.

Sanger still has a realistic path to rising as high as second in the district standings, too, depending on how the final three weeks shake out.

SHS cross country teams advance to State

District 9-4A proved to be salty, with the top two teams from the district finishing first and second at the Class 4A Regional Cross Country Meet at Lynn Creek Park at Joe Pool Lake earlier this week. Indians finishing second. All four teams will represent the district at the State Meet on November 1-2 at Old Settler's Park in Round Rock.

Sophomore Daniel Martinez led the SHS boys, earning a bronze medal, out of 164 competitors, with a time of 16:24.16 on the 5,000 meters (3.1 miles) course.

Freshman Niki Boone led the Lady Indians against 159 runners with a top-ten finish (8th place), posting a time of 12:02.56 on the 2-mile course.

SCHOOL

National School Bus Safety Week

It's the perfect time to remind everyone about the importance of staying safe while riding the bus.

Sanger ISD

During National School Bus Safety Week, Sanger ISD wants to thank the transportation team and incredible bus drivers who work tirelessly to keep the students safe every day. From early mornings to late afternoons, they ensure the kids arrive safely to school and back home. Your commitment and hard work do not go unnoticed!

Remember these important safety tips:

- Always stop when a school bus extends its stop sign.
- Look out for students crossing the road and always be alert near bus stops.
- Students should wait for the bus driver's signal before crossing the street.
- Remind children to stay seated and follow the bus driver's instructions while riding.

Let's show them some appreciation this week and always stay safety-conscious on the road!

grade. Michael is 47 years old, and they both still have an affinity for them. When they began in 2000, an oil change started at \$23.00. The exact oil change was \$46.00 at his shop in 2024. "I told a customer that that's an average of \$1 a year," Michael said. "Randy only raised prices as the overhead costs increased. He still kept it very affordable for his customers.

They change the oil on average of about 20-25 cars daily. When you

get the calculator out, they've changed the oil in over 100,000 vehicles. On the low side, 20 a day, 100 a week, for 52 weeks is 5,200, and x 20 years, that's 104,000. Of course, they take a few weeks off each year for vacation. Their customers panic, wondering when they will return from vacation. Randy and Michael appreciate their loyal customers and hope they provided good customer service. They knew the small details meant a lot. "We tried to offer good service and paid attention to the little things."

Randy graduated

from Sanger High School in 1972. He was a volunteer fireman in Sanger in the 1970s and 1980s and always loved fishing at Lake Ray Roberts. He and his wife Toni raised two children, Michael and Nicholas (44). Their kids are also graduates of SHS.

Randy is 70 and still has plenty to do on the family farm to keep him busy. "I've been working all my life, and I need to slow down, I guess."

Michael has a career lined up with the City of Sanger and is excited about earning medical benefits and a retirement plan.

Randy is leasing his building to Jimmy Hill, who owns Affordit Tire, across from Stephen Baker Field on I-35. Jimmy is going to open Affordit Oil & Auto. "The name Gentle has been a part of Sanger since 1898. From hardware to grocery and currently oil and tires, they have serviced this community for a long time," said Jimmy in a Facebook post. "We are blessed that they have asked us (Jimmy and Bailie) to take over, and we cannot wait for this next step. The Gentles family is in our prayers for the next step in their lives,

and we appreciate them so much."

They will open AFFORD IT OIL & AUTO at the Gentles location at 504 Bolivar Street on November 1st. "Oil changes will be immediate, and brakes and alignments will follow soon. We will not be doing tires at the Bolivar Street location

but will still be helping with all your tire needs at our location at 300 South Stemmons.

"We can't wait for this expansion so that our business and family can serve our community in a different way. Also, please give Randy or Michael a thank you if you see them."

IT'S TIME TO PLAN TODAY FOR FUTURE GROWTH

To address increasing growth in the region, Denton County, in partnership with the Texas Department of Transportation (TxDOT), is initiating an Environmental Impact Statement (EIS) to construct a six-lane freeway primarily on new location connecting I-35 in Denton County to the Dallas North Tollway in Collin County.

In this EIS, Denton County and TxDOT will evaluate four build alternatives on a new location six-lane freeway in addition to the No-Build Alternative, that satisfy the purpose and need within the study area. Alternatives will be evaluated in consideration of input received from Federal, State, and local agencies as well as stakeholder groups and the public.
