VOLUME 11, NO. 31

400 Bolivar Street, Suite 311 in Historic Wilfong Building - Sanger, TX 76266

July 21, 2023

On Monday night during the City Council meeting Chief Tyson Cheek was publicly sworn in as the Interim Police Chief for the City of Sanger.

Sanger Police Chief Tyson Cheek has been on the job just over a month

He answers questions about the department

At Monday night's City Council Meeting Sanger Police Chief Tyson Cheek was publicly sworn in as the Interim Police Chief. After the last police chief left without notice amidst controversy, the city of Sanger announced Cheek as new interim chief last month.

Cheek, of Millsap in Parker County, served his first day as the Sanger Police Department's interim chief on Monday, June 6th. Cheek's announcement followed the sudden

departure of former Chief Waylan Rhodes on May 12 and the indictment of a former Sanger officer on charges related to excessive use of force.

Cheek knew of the recent events at the Police Department and is hopeful about what he can accomplish while he acts as interim.

Cheek was recommended to city staff as a candidate for interim chief by a mutual connection, he said. With almost 32 years of experience in law

enforcement, Cheek has held several different ranks. Since 2013, he served as a captain in Fort Worth with noted skills in community policing, investigations, training and crime prevention, among others.

Cheek holds a bachelor's degree from Tarleton State University in criminal justice and political science.

City Manager John Noblitt said the city is very excited to have Cheek help assess where the Police Department is at and where

it's headed. Cheek was sworn in Tuesday, June 6 but his public ceremonial swearing-in was held Monday, July 17th.

Chief Cheek answered questions by the Sanger News on Tuesday.

What's been the assessment from reading personnel files and getting to know the officers the last month?

I've really only started delving into the personnel files and to be honest most of the files on the people that are still here are pretty

Sanger PD releases video of arrest that got former 'Officer of the Year' fired

Cole Thompson

Mario Soto

The Sanger Police Department released dash camera video last week of a 2022 traffic stop that led to one of its officers being fired and charged.

Former police sergeant Cole Thompson was fired and is facing charges after allegedly using excessive force during an arrest last October.

The new video shows Sanger police officers initiating a traffic stop on Oct. 23, 2022. The Sanger Police Department received a call from the Denton County Sheriff's Office Dispatch regarding a vehicle disturbance. Upon the vehicle entering the city limits, the Sanger Police Department responded to the call.

Police say a call came in about a husband and wife having a verbal disturbance in their vehicle. A child was also in the car.

Once the vehicle came to a stop, the driver Mario Soto was ordered out of the vehicle by officers and instructed to walk to the back of his vehicle. The driver complied with the officers orders. During an attempt to place the driver in handcuffs, physical force and a Taser were used before securing the subject in handcuffs.

The video shows Thompson giving the

driver some sort of instructions. The driver put his hands above his head. Thompson placed them behind the driver's back. The sergeant was working to place the driver in handcuffs. There did not appear to be any sort of struggle until the driver moved his right leg while tilting his head to the left. Soto was then taken down by Sergeant Thompson.

Punches appeared to be thrown by the officer. Another officer came into the frame.

Per the department's Use of Force Policy, Sergeant Thompson, who responded to the call, submitted a use of force report to the SPD administration

Arrest video

(Continued from pg. 1)

for review. The administration compared the use of force report against the officer's body-worn and in-car cameras and determined the incident warranted further review, according to a recent press release by the SPD.

On November 7th, 2022, an internal investigation was initiated, and Sergeant Thompson was placed on administrative leave with pay concluding the investigation.

The internal investigation determined that the use of force report filed by Sergeant Thompson was inconsistent with that of the video recordings presented and that the use of force was excessive. On December 9, 2022, Sergeant Thompson was terminated from the Sanger Police Department.

The Sanger Police Department contacted the Texas Rangers, who conducted an independent criminal investigation. The Texas Rangers filed their case with the Denton County District Attorney's office. The District Attorney's Office presented their case to the Grand Jury.

Dr. Alex Del Carmen, associate dean at Tarleton State University's School of Criminology, is not alone in this belief.

"I believe that the force that the officer used was not warranted and was not justified," he said. "The police department is also reacting to whether or not the narrative that the officer wrote is accurate as per the review of the body camera and dash camera video."

No one was charged related to the disturbance call.

On March 30, a grand jury indicted Thompson

on one count of official oppression and one count of assault.

Jail records show Thompson was booked into the Denton County Jail on April 5 and released on a \$10,000 bond.

Thompson had been with the Sanger Police Department since February 2020 and was named the 2020 Sanger Police Department Officer of the Year. His next court date is scheduled for Sept. 13.

The arrest video made the rounds on the local DFW news stations, Fox 4, CBS 11, WFAA 8 and NBC 5 last week. The video can be seen on their websites and the Sanger Police Department's Facebook Page. Dash cam footage was the only footage released. All other footage contains imagery of the victim or of a juvenile, and the department doesn't have the ability to cover their likeness.

Mario Soto, a Mexican citizen, was suspected of driving while intoxicated with child passengers under 15 years old and unlawfully restraining his wife and children.

Out of all the offenses that law enforcement officers come across, driving while intoxicated could be considered one of the more open-and-shut types of cases. If a forensic laboratory can testify to evidence of a blood alcohol content over the legal limit, there's not much to contest.

But, if the arresting officer is indicted for alleged excessive use of force during a suspects DWI arrest, it's possible that alleged drunken driver might not see justice.

Police Chief

(Continued from pg. 1)

thin. I've had a chance to meet everyone, and I'm starting to get to know them. Each and every one I've spoken to is excited about being here and seems glad to have me here. Morale seems good in my humble opinion and I'm working to improve it even more.

How many police officers are on staff now, and how many would he like to have? (The Sanger News does realize all police departments are short-staffed).

We currently have 11 on staff, counting myself and Lt. Justin Lewis. Lt. Lewis, by the way, did an amazing job in stepping up and running things between the time the former chief left and I came aboard.

We are currently authorized at 18 positions and have six potential officers in the background process. In addition, the new budget year will bring three more positions our way.

I haven't spoken much to the City Manager about the potential growth of Sanger, so I haven't developed an opinion on future staffing yet, but as always, it's better to be ahead of the surge than behind.

How did the conversations go about the officers' concerns and about what the future of the department can look like?

Staffing is the primary concern of the officers and myself. Reduced staffing puts

pressure on the other officers to work too much. Too much overtime is bad for health and family. Both are top of my list concerns for these folks. Staffing help is coming soon, though.

Beyond that, the officers and I look forward to working with city management, other city departments, and citizens to help make Sanger a safe, comfortable, and hospitable place to live and visit.

How has it been the first month on the job, and your impressions of Sanger and the department?

It's been a learning experience. I've spent the past 31 years in law enforcement in the Fort Worth Police Department, and every department has its own way of doing things. There are new processes, systems, regulations, and responsibilities to learn. Each day is a new challenge. Thankfully there are good and knowledgeable people here to help me along.

Anything else you would like to let the public know?

This is an exciting opportunity for me and for the officers here. I came here with no preconceived notions of how this department should be. A great department should be great for the community it serves and reflect that community's values where it can. As we go along, I will talk more to the officers, city management, and citizens and let them guide us as to what they want their police department to be.

2023-24 Officers for Bolivar Lodge

Recently, Bolivar Lodge installed new officers for the 2023-24 year. A dinner was held and family and friends were invited. New officers for the ensuing Masonic Year are:

Sanger Independent School District
REGISTRATION FOR 2023-2024
NOW OPEN FOR NEW AND RETURNING STUDENTS!

Returning Student Registration

All students who were enrolled at any time during the 2022-2023 school year can be registered by logging in to the Ascender Parent Portal.

Every returning student must register through a Parent Portal account.

If your student is a returning student, you already have a Parent Portal account created. There is no need to create a new one. You simply need to make sure your student is linked to your account prior to completing the Returning Student registration process. Additionally, if you are enrolling a new student but already have a student in the district, you do not need to create a new Parent Portal account. You will just add the new student to your existing account.

You will be asked to upload the following documents throughout the course of the registration process. Your registration will not be complete until all documents have been uploaded or received. You can upload documents in several formats, including a picture that you take with your cell phone (jpg/jpeg). To be able to complete registration, you will need to upload these documents:

Parent Identification (Valid Photo ID; Driver's license, Passport, Permanent Resident Card or Naturalization Papers)

Proof of Residency – a utility bill (the most current bill is required: credit card & cell phone bills, & driver's license not accepted); lease agreement; closing documents on a home; tax or mortgage statement on a home, or a notarized letter stating that the family is living with a Sanger ISD resident along with that resident's proof of residency.

Most current immunization records

If you cannot upload your documents or need access to a computer to complete the registration process, you may visit your child's campus on one of the dates below:

High School and Middle School students:

July 31st - 8:30 am – 3:30 pm
 August 1st - 11 am-6 pm

July 31st from 8:30 am-3:30 pm
 August 1st from 11:00 am-6:00 pm
 August 3rd from 8:30 am-3:30 pm

If you are not available to attend any of these dates below please contact your home campus to schedule an appointment.

If you are having difficulties with any portion of the online enrollment process, please contact your student's home campus at the number listed below.

New Student Registration

Every new student must register online through a Parent Portal account and come to campus to complete the process.

*If you already have a student enrolled, go to your existing account, and click My Account in the top right corner. Click Enroll New Student to begin.

If you do not have another child enrolled, you will create a new account in the Ascender Parent Portal; to do this, you must have an email address. You will need to verify the email account you enter prior to being able to enroll your child(ren), so be sure you are using an email you have access to at the time of registration. You will be asked to upload the documents below. Your registration will not be complete until all documents have been loaded or received. You can upload documents by either scanning them or taking a picture of them with your phone:

Parent Identification (Valid Photo ID; Driver's license, Passport, Permanent Resident Card or Naturalization Papers)

Student's Immunization Record

Student's last report card and withdrawal forms, if available

Proof of Residency – utility bill (electric, gas, or water); lease agreement; closing documents on a home; tax or mortgage statement on a home, or a notarized letter stating that the family is living with a Sanger ISD resident along with that resident's proof of residency.

2 forms of ID – These will need to be from the following list: original birth certificate; driver's license; passport; report card from the previous school; Social Security card; Military ID; hospital birth record; adoption records; Foster Care form 2085

If you cannot upload your documents, you can drop them off at your student's campus. Please be sure to provide us with a copy as we cannot return originals. If you need access to a copier, we can assist you at the campus on which you drop off your documents.

Computers will be made available to families who may need access and/or technical support in completing the online portion of their student's registration.

If you are having difficulties with any portion of the online enrollment process, please contact your student's home campus at the number listed below.
