This market was inspired by many hardworking and passionate individuals who spend countless hours in tractors, staying up into the night and in freezing temperatures to feed and care for their animals. Who fight the rise in fertilizer costs for their plants, feed for their cattle, and fuel for the vehicles that make their operations successful. This market was inspired by the people who will stand in the cold and rain to support their families and keep the food on the table no matter the circumstances.

A guide on what happens if the 14 Constitutional Propositions pass

In a recent post on my website, I provided a concise voting guide for Denton and Wise County residents, offering insights into the goals of each proposed constitutional amendment that could significantly impact the future of Texas. Here's a summary of what happens if each proposition passes:

Prop 1: Safeguards the right to engage in various agricultural and wildlife management practices while allowing legislative regulation for public health, safety, and natural resource conservation.

Prop 2: Authorizes local governing bodies to grant up to a 50% property tax exemption for child-care facilities, aiming to reduce childcare costs in the state.

Prop 3: Prohibits the imposition of taxes based on an individual's or family's wealth, net worth, or asset-liability difference.

Prop 4: Enacts an \$18 billion property tax relief package, including increased homestead exemptions (\$100K), increased reduction of local school tax rates, savings for small businesses, and new elected positions on the Denton County appraisal board.

Prop 5: Establishes an endowment to support major universities, including the University of North Texas, with potential eligibility for Texas Woman's University in the future.

Prop 6: Creates the Texas water fund, utilizing various funding sources to support water projects and preserve the state's natural resources.

Prop 7: Establishes the Texas energy fund, enabling loans and grants for new power generation facilities to meet growing electricity demand.

Prop 8: Creates a fund to expand high-speed internet access across Texas, especially in rural areas of Denton and Wise Counties.

Prop 9: Authorizes a cost-of-living-adjustment (COLA) increase for retired teachers statewide.

Prop 10: Allows lawmakers to exempt medical supply facilities from property taxes to ensure a stable supply chain for healthcare workers and emergency responders.

OBITUARIES...

Lanny Martin Elrod

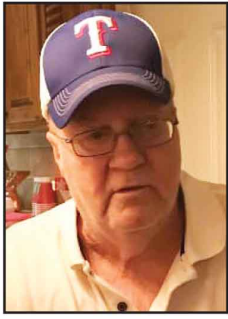

October 21, 1950 - September 28, 2023

Lanny Martin Elrod, 72, of Sanger, died in a nursing facility on September 28, 2023 of natural causes.

Lanny was born in Brownsville, Tennessee on October 21, 1950 to Walter Elrod and Joy (Sweatman) Elrod. He worked in construction and was a long-haul truck driver.

Lanny preceded in death by his beloved wife Carolyn Louise Elrod, his parents Walter and Joy Elrod, his sisters Debra Williams and Donna Maddox. He is survived by his brothers, Gary Elrod and Scott Elrod, his children Robbie Elrod, Angie (Shea) Hassell, grandsons Mitchell (Lacy) Hassell, Dalton (Ali) Hassell, Layne Elrod, girlfriend Kiley Egan, Kaitlyn Elrod, Ryan Mergener and three great grandsons Braylon, Cason and Brecken Hassell.

A memorial service at Stanton Baptist Church will be held on Saturday, October 21, 2023 at 10 a.m. Following the service, he will be laid to rest at Stanton Cemetery.

Alice Rita (Fournier) Gulyas

September 26, 1941 - October 12, 2023

Alice Rita (Fournier) Gulyas of Sanger, TX died October 12, 2023 after a short battle with cancer. She was born September 26, 1941 in Providence, Rhode Island to Gerard and Annette (Charpentier) Fournier. Alice graduated from Coventry High School in Coventry, RI in 1958 and from the New Hampshire State School of Nursing in 1963.

In April 1965, while serving as a bridesmaid in her cousin's wedding, she met her future husband, Donald Gulyas. Two weeks later, they decided to marry. To their dismay, their priest would not marry them unless they had been acquainted for at least six months. So, Thanksgiving weekend 1965 Alice and Donald were married. This union lasted nearly 58 years until her death and produced three children, seven grandchildren, and 12 great-grandchildren (with two more on the way!).

Alice worked as a registered nurse in many different areas – from emergency room to geriatrics to several years as school nurse for Sanger and Pilot Point ISDs. She retired from nursing in 2000 as a nursing supervisor at Denton State Supported Living Center (formerly Denton State School).

Spending time with family was her greatest joy. She loved seeing her grandchildren grow up and have kids of their own. Her sense of humor kept us laughing and never failed to help give perspective when life got hard. In addition to time with family, playing Parcheesi and cards, she occupied her time in retirement with the baking of delicious cookies and pies (and making the best peanut butter fudge!). She enjoyed knitting and crochet, and playing with her cat, Minou. She was a lifelong Catholic and a member of Immaculate Conception Church in Denton. She was the best wife, mom, and memère anyone could hope to have.

She is survived by her husband, Donald Gulyas of Sanger, TX; daughters Michelle Curran (Bret), Monique Gulyas (Charlie Moore), Cherie Mayfield (David), all of Denton, TX; seven grandchildren and 12 great-grandchildren.

Her life will be celebrated Friday, October 27 with a Rosary at 10 am and Mass of Christian Burial at 10:30 am at Immaculate Conception Church, 2255 N Bonnie Brae St. Denton TX 76207.

FATBURGER Since 1952

NOW OPEN IN SANGER
Dine-In or Take-out

It's hard to keep things simple, but that's the Fatburger way. We pursue the same standard of excellence Lovie Yancey did back in the day, making each Fatburger with the freshest quality ingredients, handcrafted to absolute perfection. And it's not just the Fatburger. Our milkshakes feature hand-scooped, premium ice cream. Our Fat Fries are thick cut and fried to a shimmering, golden brown. Visit us, and you'll agree: After 70 years, it's still good to be Fat.
