A TIME TO RAISE AWARENESS AND PROMOTE THE SAFETY OF OUR CHILDREN

**1 in 10 children** will be sexually abused before they turn 18.

**48 CHILDREN IN SANGER**

**RECEIVED SERVICES AT CHILDREN'S ADVOCACY CENTER FOR NORTH TEXAS IN 2024.**

April is Child Abuse Prevention Month. The Sanger Police Department encourages you to honor the 48 children from Sanger who received services at Children's Advocacy Center for North Texas in 2024. These kids bravely shared their story of abuse and worked to heal and recover from the trauma of abuse, restoring their potential to live a healthy and happy life. "We know that for every child who reports their abuse, 9 more suffer in silence. Let's work together to help those children by learning to recognize and report signs of child abuse. Visit <https://cacnorthtexas.org/education> for more information! By protecting one child, we protect all children in our community."

**Sanger Industrial Development Corporation Launches Workforce Grant to Strengthen Career and Technical Education**

A check for \$234,075 is presented to Sanger Independent School District to launch the Sanger Workforce Achievement Grant (SWAG)—a groundbreaking initiative aimed at expanding Career and Technical Education (CTE) opportunities for students.

The Sanger Industrial Development Corporation (SIDC), in partnership with the Sanger Education Foundation and Sanger Independent School District (SISD), proudly announces the launch of the Sanger Workforce Achievement Grant (SWAG)—a groundbreaking initiative aimed at expanding Career and Technical Education (CTE) opportunities for students.

but we are also ensuring that Sanger remains a thriving hub for business and industry," said Shani Bradshaw, Director of Economic Development for the City.

With a total grant allocation of \$234,075, SWAG directly invests in programs that equip students with industry-relevant skills, ensuring they are workforce-ready upon graduation. The grant will support automotive, business marketing, and cosmetology programs, aligning educational opportunities with high-demand industries and fostering economic growth in the Sanger community.

Jennie Flaa, Deputy Superintendent of Sanger ISD, emphasized the importance of this initiative for students and the local workforce. "Our students deserve access to the best possible career training opportunities, and SWAG ensures that they graduate with the skills and certifications needed to thrive in high-demand industries. This investment in career and technical education will create lasting benefits for our students, their families, and the entire Sanger community."

**Expanding Career Training for Sanger's Future Workforce**

CTE programs play a vital role in building a skilled workforce that supports Sanger's economic development. Currently, Sanger ISD offers 15 CTE programs, 80 courses, and 33 industry certifications, providing hands-on training in fields that lead directly to employment. Through SWAG, students will gain greater access to state-of-the-art facilities, a modernized curriculum, and expanded industry partnerships.

- Key Program Enhancements:**
- Automotive Technology – Expansion of the automotive training facility, repurposing the former Sanger Middle School gym into a fully equipped space to better prepare students for careers in transportation, logistics, and distribution.
  - Business Marketing – Development of a curriculum focused on entrepreneurship, marketing, and graphic design, giving students a competitive edge in various business sectors.
  - Cosmetology – Establishment of a new, in-house cosmetology center, eliminating the need for students to travel to North Central Texas College (NCTC) and tripling enrollment capacity.

The program also fosters mentorship networks, internship opportunities, and job placement services by partnering with local businesses to bridge the gap between education and employment.

**Building a Stronger Future for Sanger**

By aligning education with workforce demands, SWAG ensures that students graduate with valuable industry certifications, positioning them for immediate career opportunities. This initiative also strengthens Sanger's economic landscape, providing local employers with a pipeline of skilled, job-ready professionals. Additionally, it allows students to offer services such as cosmetology and automotive repair at a reduced rate to the community while under the supervision of professionals in a classroom environment, giving them hands-on experience while benefiting local residents.

**A Collaborative Approach to Workforce Development**

The SWAG initiative reflects a strategic collaboration between the SIDC, Sanger ISD, and the Sanger Education Foundation. They share a vision of strengthening career pathways for students while supporting the needs of local businesses.

## Kathy Griffith Roberts

July 7, 1948 - March 30, 2025

Katherine "Kathy" Griffith Roberts, 76, of Sanger, Texas, went home to be with the Lord on March 30, 2025, at her home in Sanger. Born in Denton, Texas on July 17, 1948, Kathy was the daughter of Billie Joe Griffith and Darles Helen (Holmes) Griffith.

Kathy worked for Texas Women's University as Executive Assistant to Provost for 30 years and remained active in her church community at First Baptist Sanger.

She married the love of her life, James Lee "Jim" Roberts, who she lovingly referred to as "Boog," on July 15, 1989, in Denton, Texas, and together they built a life they loved, which included traveling and spending time with their family and friends.

Kathy had a big love for Jesus, all things Texas, flowers, and all of her children, grandchildren, and her great-grandbabies. Her grandchildren and great-grandchildren were truly the "joy" of her life! Kathy loved staying involved with all her family and made sure that she was there for them for everything. She loved being with children and baking cookies with them, being a hostess and taking care of others. Kathy's other passions were tending to her flowers and birds and making everything pretty. She was truly the kindest person that you could ever meet.

Kathy is preceded in death by her husband, Jim Roberts and her father, Billie Joe Griffith, her aunt, Pat Cummins, her brother-in-law, Phil Larson and her great-nephew, Caleb Larson.

Those remaining to cherish her memory are her mother, Darles (Holmes) Watson of North Lake; Two daughters, Angela Johnson of Sanger and Jennifer Allen and husband, Wes of Haslet; Two sons, David McNickle of Sanger and Jared Roberts and wife, Sarah of Denton; one sister, Sandy Larson of North Lake; one brother, Ben Watson and wife, Maria of Denton; seven grandchildren, Colton Allen, Chad Johnson and wife Danielle, Cooper Allen and his wife Amber, Hannah Johnson, Alex Roberts, Collin Allen, and Brandon Roberts; three great-grandchildren, Avery Johnson, Hadleigh Johnson and Cainan Allen.

A visitation for Kathy will be held, Monday, April 14, 2025, from 6:00 - 8:00 PM, at First Baptist Church in Sanger, Texas. The funeral service is Tuesday, April 15, 2025, at 10:30 AM, at First Baptist Church in Sanger. Pastor Grant Bowles and Pastor John Guerra will officiate the services. Interment is at 2:30 PM at the Dallas Fort Worth National Cemetery in Dallas.

The arrangements are with Coker Funeral Home in Sanger, Texas. Please share a memory or offer your condolences to the Roberts Family in our guestbook.

## Rexal Frank Stinchcomb

April 18, 1955 - March 24, 2025

Rexal Frank Stinchcomb, known to most as Rex, passed away in Denton, Texas, on March 24, 2025, at the age of sixty-nine. Born in Fort Worth on April 18, 1955, Rex was the son of Vassie Francis "Stinke" and Marion Lee (Coffey) Stinchcomb.

Rex was a 1974 graduate from Denton High School. He was a welder by trade but had the mind of an engineer. Mechanically, if he could imagine it, he could build it. People would often come to him to fix something they needed help with, and Rex would stop working to help them fix their problem. He loved being outdoors and fishing in his leisure time. He loved people and helping others.

Rex had a passion for fast cars and racing. He and his brother, Rickey, spent a lot of time in the drag racing world. He was the E.T. Bracket Champion several times at Green Valley Raceway. He set a world record in drag racing at the Dallas

International Motor Speedway, also known as "D.I.M.," earning him recognition in the newspaper.

Rex is preceded in death by his parents and several aunts and uncles. He was survived by one son and one daughter; his brother, Rickey Stinchcomb of Denton; a sister, Rhonda Sue (Stinchcomb) Smith and husband Tommy of Garland; an aunt,

Betty Jo Coffey of Sanger; four grandchildren; two nieces, and two nephews along with several great-nieces and great-nephews, and a host of cousins; as well as many friends from Metroplex Cabinets.

A memorial service for Rex will at 6:30 pm on Thursday, April 10, 2025, at the First Baptist Church in Sanger. Pastor Grant Bowles will officiate the service.

In lieu of flowers, the family requests that memorial donations be made to the Sanger Cemetery Association, P. O. Box 100, Sanger, Texas 76266.

Arrangements are with Coker Funeral Home in Sanger. Please share a memory or offer your condolences to the Stinchcomb Family at cokerfuneralhome.com.

# How can you boost your savings?

**Nikki Smith**  
Financial Advisor

It might not be on your calendar, but America Saves Week is observed from April 7–11. Are you saving enough? If not, how can you save more?

If you don't think you're saving enough, you're not alone. Just 22% of Americans are completely satisfied with the amount of money they've saved, according to a recent Yahoo Finance/Marist Poll survey. And the same survey showed that a third of households couldn't cover one month's worth of bills if they lost a job or other source of income.

What's behind this savings gap? Several factors are involved, including the high cost of housing. But while you can't control these external forces, you may be able to increase your savings by taking these steps:

Create a budget — and stick with it. Following a budget is not everyone's idea of fun, but it can be of great use in managing your spending, which, in turn, can help you save more. You can find many

free budgeting apps that allow you to track your spending and place it into categories. Once you know where your money is going, you may find it easier to cut back in certain areas, such as possibly eliminating streaming services you don't use much.

Pay yourself first. Like everyone, you have a lot of bills to pay each month. But why not pay yourself first? Even if you can't put away a lot of money, any amount will help. And you can make it easier on yourself by having some funds moved automatically each month from your checking or savings account into a liquid, low-risk account — one you don't use for your everyday expenses. Over time, as your income goes up, you can increase the amounts in these automatic transfers.

Take advantage of "cash-back" offers. You may already use a credit card that provides you with cash back on purchases. But did you know you can also download cash-back apps? Like cash-back credit cards, these apps give you a percentage of your spending back, helping you save money on many of your regular purchases, such as groceries and gas. You can even find apps that offer promotions that let you earn more at

specific times or for buying certain items.

Cut down — or consolidate — your debts. It's easier said than done, but the more you can reduce your debts, the more money you'll be able to save. You can choose to tackle the debt with the highest interest rate or get rid of the smallest debts first, but whichever method you choose, try to be as diligent as you can. You also might be able to consolidate your debts — but be careful, because not all debt consolidation offers will work in your favor.

Get some help. Your employer may provide an employee assistance program that offers, among other benefits, credit counseling and other types of financial guidance. You may want to contact a financial professional who can take a holistic look at your situation and offer recommendations on saving, investing and goal setting.

It's always important to save money — but it's not always easy. However, by exploring every avenue available to you, you may be able to improve your saving skills to the point where they can make a real difference in your life.

Humans and horses both radiate measurable electromagnetic energy from their hearts, a dynamic force that shapes their interactions and fosters a profound connection. As this bond strengthens, horses become powerful allies in building a person's self-confidence and self-esteem. With their keen sensitivity, they offer immediate, unfiltered feedback, interpreting our verbal cues and body language to mirror emotions like anxiety, sadness, happiness, trust, and more. In their honest reflections, horses don't just respond - they illuminate the depths of our inner world, revealing the emotions we carry.

**TRIBAL TREASURES Thank You Letter...**

The Life Skills and STEP programs from Sanger High School would like to thank the Sanger Community and others for helping our Tribal Treasures business. We sent out an Amazon wish list [https://www.amazon.com/hz/wishlist/ls/17X9L5W0R-NEM?ref\\_wl\\_share](https://www.amazon.com/hz/wishlist/ls/17X9L5W0R-NEM?ref_wl_share) on FB at the end of February and March. We have received almost our whole list of things we needed to make our business better. Thank you from the bottom of our hearts.

Just in case you don't know about Tribal Treasures we are a business that was created 6 years ago by Jamie Reneau and Denise Yeatts-Klinke. It is operated by the High School Life Skills and STEP classes. We make

and sell greeting cards and other special items. Everything is handcrafted and packaged by the students. What you purchase gets reinvested in the business and helps students with the cost of community outings and other important items they need, while working on their vocational skills.

We have special card boxes set up at all the schools, administration building and COOP. We also have a card box set up at Sanger Insurance. You can go by Sanger Insurance and purchase a card or two or, you can always email me and let me know what card or cards you are needing and I can get them here ready for you to pick up at Sanger High School. Our cards are \$2.00 each. And if I do say so myself, they are really cute! If you

are a business in Sanger and would like one of our card boxes in your business please let us know. My email is [denise.yeatts@sangerisd.net](mailto:denise.yeatts@sangerisd.net)

**Ray Roberts Lake State Park** TEXAS PARKS & WILDLIFE  
Isle du Bois & Johnson Branch

**With April showers come May flowers... and May BABIES!!!**

Fawning season is right around the corner! White-tailed deer typically have their babies from late April/early May through June. However, this unfortunately happens to directly coincide with the start of the busy season for the park!

Why can this be a problem? When momma deer goes to graze, she will often tuck her baby away somewhere she thinks is safe. The baby will instinctively stay where they are, quiet and still, until mom returns. Great for avoiding predators-- awful for avoiding humans!

We understand a baby deer seemingly on its own can be concerning to some, but rest assured they are NOT hurt, and they are NOT abandoned. Momma deer knows exactly where her baby is! Touching or moving the baby could bring it into increased danger from predators or even cause it to be rejected by mom. If you are worried about a baby deer being located in a public area, please contact a park ranger so that it can be handled properly.

Remember: If you see it alone-- leave it alone!
