## Tom Thumb groundbreaking ceremony

Last week City of Sanger staff joined developer Malouf, Tom Thumb officials, and community members for the groundbreaking of the highly anticipated Tom Thumb grocery store. It will be located on FM 455 west (Chapman Drive) behind Sanger Bank and First United Bank next to the I-35 service road. The store is expecting a Fall 2025 opening and will anchor the commercial side of the project.

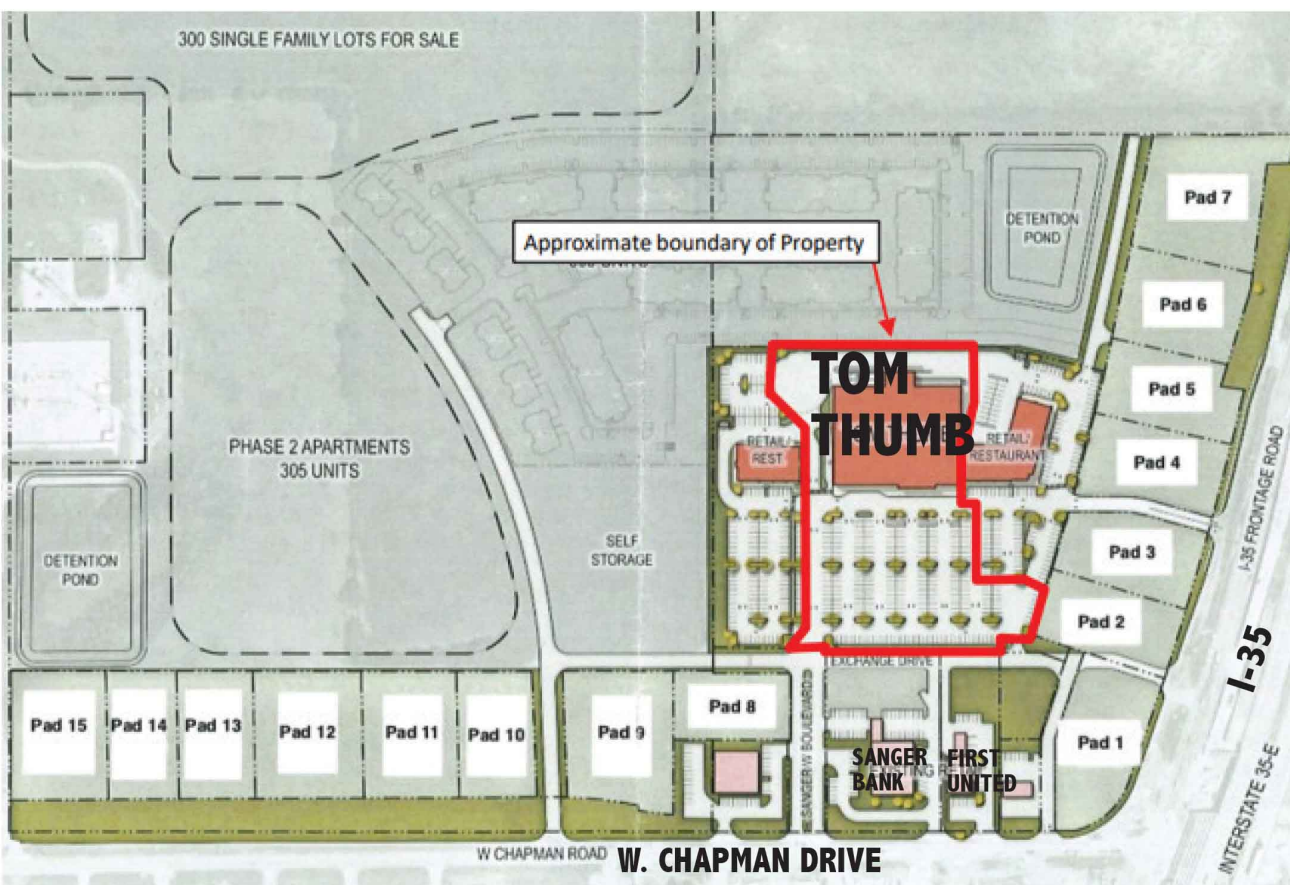

During the event, the developers and Tom Thumb leadership expressed their gratitude to the City Council, City Manager John Noblitt, and Director of Economic Development Shani Bradshaw for their hard work and dedication in making this process seamless.

In an amazing show of community support, Tom Thumb also presented a \$10,000 check to the Sanger Education Foundation, Inc. to aid their efforts in empowering local students.

"We're thrilled to welcome Tom Thumb to Sanger and look forward to the positive impact this addition will bring to our community," said Sanger Mayor Thomas Muir.

Tom Thumb is the first piece of the 131.82 acres project. The Greystar and Malouf Interests development will consist of 300 single family lots/homes for sale, 305 apartment units, around 24 townhome units. The commercial will front along North Stemmons and Chapman Drive. The multi-family development will have a swimming pool, patio area, and other amenities. There will be a 3.07-acre of self-storage area with some of the units climate-controlled.

# OBITUARIES...

## Virginia Lee McIntire

November 20, 1945 - November 18, 2024

It is with great sadness that the family of Virginia Lee McIntire, known as Susie to those closest to her, announce her passing on November 18, 2024. Susie was born on November 20, 1945 in Grayson County to Johnny Lee Miller and Virginia Gertrude Miller.

Susie loved her family and was happiest when they were around. She had quite a sense of humor and loved to joke with people. She loved roller skating and was quite a good dancer on those skates. She loved music and dancing, loved to sing karaoke songs, and loved reading books. She raised her four boys and loved having the grandchildren spend the night so she could visit and eat ice cream with them. She loved the holidays and made the best cornbread dressing.

Susie was a daughter, sister to five brothers and one sister, wife and mother to four boys, a grandmother and great grandmother. She was married to Gary (Mike) Reedy, Sr. until his passing in 1977. She then married Charles (Chuck) McIntire until 1984.

Susie is survived by one brother, Thorton Argo of Graham, OK; her four children: Gary Reedy, Jr (Candace) of Justin, TX, Tony Reedy of Quitman, TX, Jason Reedy (Kelly) of Justin, TX, and Steven McIntire (Emily) of Josephine, TX.

She had eight grandchildren, William Sherman (Dara) of McCormick, SC, Gary Reedy, III of Justin, TX, Jordan LeClair (Alyssa) of Elkland, MO, Conner LeClair (Caroline) of Allen, TX, Kennedy Womack of Justin, TX, Ailissa Reedy of Justin, TX, Logan Reedy (Krystal) of Sherman, TX, and Bailey Reedy (Harley) of Quitman, TX. Susie had nine great-grandchildren and many nieces, nephews, cousins, sisters-in-law, brother-in-law, and friends too numerous to count.

Susie was preceded in death by her Father, Mother, Sister Linda Sprayberry, and Brothers J. C. Miller, Billy Miller, Buddy Miller, and LeRoy Miller.

The family received friends on Friday, November 22, 2024, starting at 12:00 pm until 1:30 pm at DeBerry Funeral Home, 2025 West University Dr., Denton, TX 76201. A Graveside service followed at 2:00 pm at Roselawn Memorial Park, 3801 Roselawn Dr, Denton, TX 76207.

## Inflation-fighting strategies for retirees

**Nikki Smith**  
Financial Advisor

At different times, inflation may be high or low, but, except in those rare periods of deflation, it's always with us. During your working years, when you may receive boosts in your salary, you at least have the potential to keep up with inflation — but what happens when you retire? As a retiree, what can you do to cope with the rising cost of living?

Here are a few suggestions:

Keep some growth potential in your investment portfolio. During your retirement years, you may want to move your portfolio toward a somewhat more conservative approach by owning investments that offer significant protection of principal. However, these same investments offer little in the way of growth, which means they are susceptible to inflation. Consequently, you'll also need to own a reasonable amount in growth-oriented investments, such as stocks and stock-based securities. Of course, these investments will fluctuate in value as the financial markets move up and down, but by owning some more conservative investments, you can reduce the overall impact of market volatility on your portfolio.

Consider inflation-adjusted bonds. You might want to consider Treasury Inflation-Protected Securities (TIPS), which are indexed to the Consumer Price Index, so the principal increases with inflation (and decreases with deflation). Another inflation-adjusted Treasury security is the I bond, which differs from TIPS in that the principal doesn't change but the interest rate does, every six months, based on a combination of a fixed interest rate and the inflation rate. Like all investments, though, TIPS and I bonds have various features and risks of which you should be aware before investing.

Delay taking Social Security. You can start collecting Social Security benefits at 62, but your monthly checks will be much bigger if you wait until your full retirement

age, likely between 66 and 67. You would receive the maximum amount if you waited until 70 before collecting. Of course, if you need the money to help support your retirement, you may not be able to afford to wait, but if you can, your bigger checks can be a big help against inflation.

Don't hold too much cash. During your working years, it's a good idea to have an emergency fund containing several months' worth of living expenses in liquid, low-risk accounts. And when you're retired, you might want to have up to year's worth of expenses in such a fund. But be careful about holding too much cash, as it will lose purchasing power each year due to inflation. Instead, when keeping cash, seek the "Goldilocks" solution — not too little, not too much, but just the right amount.

Think about extend-

ing your employment. If you like what you do, you might want to consider working a few years longer than you had originally intended. Not only will you be bringing in more income, but you could also continue to contribute to retirement accounts, including your IRA and 401(k). Even if you don't want to continue working full time, you could do some part-time work or consulting. Any earned income you bring in can help in your fight against inflation.

You can't control the cost of living, but by making some of the moves described above, you can help yourself mount a defense against the effects of inflation during your retirement years.

### SHS Students Make a Difference at Cook Children's Hospital

Recently, Sanger High School Education and Training students visited Cook Children's Hospital in Fort Worth to deliver donations collected through the Kick it Kodi initiative. During their visit, the students had the opportunity to hear from hospital specialists learning about various careers in the healthcare field. These included roles such as homebound teachers, activity coordinators, and child life specialists. In addition to their educational experience, the students hosted a special event for the patients at the hospital. The event featured games, arts and crafts, and a stuffed animal giveaway, bringing joy to the children and showcasing the students' commitment to service and care.

A special thank you to the Sanger Lions Club and everyone who donated to the Kick it Kodi event again this year. They were able to donate 2,324 items to the patients! #TEAMSanger #KickitKodi #youwantto behere #studentsmakingadifference

## Sanger ISD Yearbook Digitization Project

The Sanger Area Historical Society is working to digitize yearbooks from every year and every school within Sanger ISD's History, with permission from the Superintendent and with the help of the schools and members of the community we hope to be able to provide free online access to all of the Sanger ISD Yearbooks in the near future.

### Sanger Yearbook Archive Thumb Drive Fundraiser:

The Sanger Area Historical Society is offering a custom made thumb drive with 67 Sanger School (all grades) and Sanger High School yearbooks for a donation of at least \$20. (\$24 if we need to mail the thumb drive to you.) The yearbooks are PDF files that have been run through Optical Character Recognition (OCR) software so they are mostly searchable. Any proceeds from the fundraiser will go towards our project to fund the digitization of the remaining yearbooks. The Thumb drives include the following years: 1934, 1939-1941, 1946-1950, 1952-1985, 1989-

1993, 1997-2016. Go to their website at [sangerahs.wordpress.com/](http://sangerahs.wordpress.com/) and click on digitalized projects for more information.
