**Several new businesses slated for Sanger**

There's a lot happening in Sanger... Jack in the box has poured the foundation for their new fast-food restaurant. It will be located next to Holiday Inn Express. Sanger Bank purchased the EIKON building at 1405 West Chapman Drive last year and is completely remodeling it. They are hoping to be relocated before the end of 2023. In other local business news - QT is opening in a few weeks and Starbucks next month. A new medical office, owned by Dr. Reed on Chapman Drive is near completion; Some new restaurants are opening in Sanger - Villa Grande Mexican Restaurant will open next to Roma's Italian and Bear's Cafe will open soon in downtown Sanger, where K's Gourmet was located.

And lastly, AutoZone and Scooter's Coffee are slated for Sanger. Scooter's will be located at the old Snap Shop site on the northeast side of I-35 & FM 455. AutoZone has purchased the commercial property next to Dr. Richard Perry's Office on west Chapman Drive.

And yes, the City of Sanger has negotiated a national chain grocery store to be built on property purchased behind the current Jack in the Box. Developers aren't able to announce the name and it could be a few years before construction begins on the retail shopping center. The 131 acre residential and commercial development zoning change was approved last December by the City Council.

## Financial FOCUS

By Allen Chick, Edward Jones

### Retired? Consider benefits of part-time work

After spending decades in the workforce, you might look forward to the day you retire. But if you decide, for one reason or another, that you'd like to redefine "retirement" to include part-time work or consulting, you could enjoy exercising your skills and meeting new people. But you can also receive some key financial benefits.

Specifically, bringing in some paychecks in your retirement can help you in these areas:

You could contribute more to your IRA. During your working years, you may have contributed regularly to an IRA, but once you retired, you might have thought those days were over. But there's no age limit – if you have any earned income, you

can contribute to an IRA and boost the financial resources you have available for retirement.

You could potentially lower your withdrawal rate. Once you're retired, you will likely need to rely on your investment portfolio to provide you with some – or maybe most – of your income. Consequently, you'll need to establish an appropriate withdrawal rate – a percentage of your portfolio that you can take out each year without running the risk of potentially outliving your money. Income from part-time work or consulting may lower your dependency on investment income, thereby reducing your annual withdrawal rate and extending the overall longevity of your investment portfolio.

You could add to your grandchildren's 529 plans. When you invest in a 529 education savings plan, the earnings and withdrawals are federally tax-free, provided the money is used for qualified education expenses. As a grandparent, you can contribute to a 529 plan with your grandchildren as beneficiaries. And a 529 plan can be used for

more than college – it can fund some programs at trade schools and K-12 expenses in some states. So, by putting some of your earned income to work in a 529 plan, you can help improve your grandchildren's prospects.

You could reduce your debts. By the time you reach retirement, you may or may not have retired your mortgage, but you might have other debts on your books. If you can apply some of your earned income to these debts, you can improve your cash flow and possibly avoid dipping into your retirement accounts for short-term needs.

Of course, you'll also have to consider some issues if you end up working in retirement, particularly if you bring in a sizable amount of money. For example, if you're earning income and collecting Social Security before you reach your "full" retirement age – which is likely between 66 and 67 – your monthly benefits will be reduced. (However, these "lost" benefits will be restored once you do reach your full retirement age.) Also, the added income could push you into a higher tax bracket or even cause you to pay the Medicare premium surcharge or the 3.8% surtax on net investment income if your income reaches certain levels. So, before embarking on any employment that may yield a large additional income, consult with your tax advisor.

Overall, though, the financial benefits of part-time employment income during your retirement years may be worth it – so give some thought to "un-retiring."

## TAX TIPS

BY J.W. Hopp & Associates

### Maximizing Deductions for Small Business Owners

Hey there, small business owners! It's time for another Tax Tip Tuesday. Today, we'll discuss how you can maximize deductions to reduce your tax burden and keep more money in your pocket.

1. **Keep Accurate Records:** Maintaining meticulous records is key to maximizing deductions. Keep track of all your business-related expenses, such as office supplies, equipment, travel expenses, and even mileage. Don't overlook even the smallest expenses, as they can add up and become valuable deductions.

2. **Home Office Deduction:** If you have a dedicated space in your home for your business, you may be eligible for the home office deduction. Calculate the percentage of your home that is used exclusively for business purposes and deduct expenses such as rent, utilities, and

maintenance accordingly. This deduction can help you save significantly on your tax bill.

3. **Qualified Business Income Deduction:** Take advantage of the Qualified Business Income (QBI) deduction, also known as the Section 199A deduction. This deduction allows eligible small business owners to deduct up to 20% of their qualified business income. Consult with a tax professional to determine if you qualify and to optimize this deduction for your specific business structure.

4. **Retirement Contributions:** Consider setting

up a retirement plan for yourself and your employees. Contributions to retirement accounts, such as a Simplified Employee Pension (SEP) IRA or a solo 401(k), can be tax-de-

ductible. Not only will you be saving for your future, but you'll also reduce your taxable income for the current year.

5. Tax Credits: Explore tax credits available for small businesses, such as the Small Business Health Care Tax Credit, the Work Opportunity Tax

Credit, or the Research and Development Tax Credit. These credits can provide a dollar-for-dollar reduction in your tax liability, so make sure to investigate which credits you qualify for.

Remember, every small business is unique, so it's crucial to consult

with a qualified tax professional who can provide personalized advice tailored to your specific situation. They can help you identify all the deductions

and credits available to you and ensure compliance with tax laws.

By being diligent in your record-keeping, exploring deductions specific

to small businesses, and leveraging available tax credits, you can minimize your tax liability and keep your hard-earned money where it belongs—in your business.

Birth of Lake Ray Roberts 6/30/87.

This is a photo from June 30, 1987 when Lake Ray Roberts dam and spillway was officially complete: Construction on the dam was started in 1982 and was completed in 1987. At the conservation (normal) pool elevation of 632.5 feet NGVD, the lake surface covers 28,646 acres. Ray Roberts dam, an earthen structure 141 feet high, is owned and operated by the United States Army Corps of Engineers. Ray Roberts Lake is home to many parks and recreation areas and includes boat ramps, trails, hiking, fishing, and other recreation opportunities. It was named after Ray Roberts (a local congressman who supported creation of the lake) in 1980. The lake took less than a year to fill up.

**Sanger Independent School District**  
**REGISTRATION FOR 2023-2024**  
**NOW OPEN FOR NEW AND RETURNING STUDENTS!**

**Returning Student Registration**

All students who were enrolled at any time during the 2022-2023 school year can be registered by logging in to the Ascender Parent Portal.

Every returning student must register through a Parent Portal account.

If your student is a returning student, you already have a Parent Portal account created. There is no need to create a new one. You simply need to make sure your student is linked to your account prior to completing the Returning Student registration process. Additionally, if you are enrolling a new student but already have a student in the district, you do not need to create a new Parent Portal account. You will just add the new student to your existing account.

You will be asked to upload the following documents throughout the course of the registration process. Your registration will not be complete until all documents have been uploaded or received. You can upload documents in several formats, including a picture that you take with your cell phone (jpg/jpeg). To be able to complete registration, you will need to upload these documents:

Parent Identification (Valid Photo ID; Driver's license, Passport, Permanent Resident Card or Naturalization Papers)

Proof of Residency – a utility bill (the most current bill is required: credit card & cell phone bills, & driver's license not accepted); lease agreement; closing documents on a home; tax or mortgage statement on a home, or a notarized letter stating that the family is living with a Sanger ISD resident along with that resident's proof of residency.

Most current immunization records

If you cannot upload your documents or need access to a computer to complete the registration process, you may visit your child's campus on one of the dates below:

**High School and Middle School students:**

July 31st - 8:30 am – 3:30 pm  
 August 1st - 11 am-6 pm

**Elementary Campus students (PK-6th Grade)**

July 31st from 8:30 am-3:30 pm  
 August 1st from 11:00 am-6:00 pm  
 August 3rd from 8:30 am-3:30 pm

If you are not available to attend any of these dates below please contact your home campus to schedule an appointment.

If you are having difficulties with any portion of the online enrollment process, please contact your student's home campus at the number listed below.

- Butterfield Elementary: 940-458-4377
- Chisholm Trail Elementary: 940-458-5297
- Clear Creek Intermediate: 940-458-7476
- 6th Grade Campus: 940-458-3699
- Sanger Middle School: 940-458-7916
- Sanger High School: 940-458-7497

**New Student Registration**

Every new student must register online through a Parent Portal account and come to campus to complete the process.

\*If you already have a student enrolled, go to your existing account, and click My Account in the top right corner. Click Enroll New Student to begin.

If you do not have another child enrolled, you will create a new account in the Ascender Parent Portal; to do this, you must have an email address. You will need to verify the email account you enter prior to being able to enroll your child(ren), so be sure you are using an email you have access to at the time of registration. You will be asked to upload the documents below. Your registration will not be complete until all documents have been loaded or received. You can upload documents by either scanning them or taking a picture of them with your phone:

Parent Identification (Valid Photo ID; Driver's license, Passport, Permanent Resident Card or Naturalization Papers)

Student's Immunization Record

Student's last report card and withdrawal forms, if available

Proof of Residency – utility bill (electric, gas, or water); lease agreement; closing documents on a home; tax or mortgage statement on a home, or a notarized letter stating that the family is living with a Sanger ISD resident along with that resident's proof of residency.

2 forms of ID – These will need to be from the following list: original birth certificate; driver's license; passport; report card from the previous school; Social Security card; Military ID; hospital birth record; adoption records; Foster Care form 2085

If you cannot upload your documents, you can drop them off at your student's campus. Please be sure to provide us with a copy as we cannot return originals. If you need access to a copier, we can assist you at the campus on which you drop off your documents.

Computers will be made available to families who may need access and/or technical support in completing the online portion of their student's registration.

If you are having difficulties with any portion of the online enrollment process, please contact your student's home campus at the number listed below.
