Enhanced fish care planned for Bassmaster Classic at Ray Roberts

Fish care is a high priority at Bassmaster tournaments, and it will be increasingly relevant at the 2021 Academy Sports + Outdoors Bassmaster Classic presented by Huk.

B.A.S.S. and the Texas Parks and Wildlife Department are partnering to ensure bass caught during the hot weather will be healthy when released back into Lake Ray Roberts June 11-13, 2021. How they will do that is by implementing a fish care plan developed specifically for the north Texas warm, summer weather.

Between the Classic launch site and Dickies Arena in Fort Worth the distance is 60 miles. With normal afternoon traffic the drive time is 1 hour 20 minutes. That is not an uncommonly far distance or travel timeline between Classic fisheries and arena venues. Previous Classics held in Houston, Birmingham and Greenville, S.C., had similar travel logistics as the Fort Worth event.

Those Classics were held during early spring, when ambient lake water temperatures were cooler and retained desired levels of oxygen in the livewells used for transporting angler catches. The need to change the process was recognized when the upcoming Classic was moved from March to June.

"We know that moving the Classic to June

OBITUARIES...

David Manning

March 28, 1960 - May 23, 2021

David Manning, beloved son, husband, father, brother, and friend passed away Sunday, May 23, 2021 in his home in Denton, TX surrounded by his wife and two children.

David was born March 28, 1960 in Brownwood, TX to Larry and Beth Manning. He graduated from Denton High School in 1978 and received a Bachelors degree from North Texas State University, now University of North Texas, in 1984. During his time at North Texas, he was an active member of the Theta Chi fraternity where he met many of his lifelong friends. In 1985, David married Lisa Mangold. They had two beautiful children Brooke and Blake. David later married his current wife Joy Manning on March 2, 2015. They enjoyed the last 6 years of marriage together spending lots of time with their blended family and friends.

After graduating from North Texas, David got his first "real job" in Dallas. He quickly realized the corporate world was not for him, so he purchased his first company where he manufactured and sold septic tanks. This was the beginning of his long and successful career as an entrepreneur. David then spent many years building and remodeling homes in Denton County. He also spent a couple of years traveling to replace roofs after hurricanes in Florida, Louisiana, and South Texas.

To know David was to love him. He was sarcastic, fun loving, and truly enjoyed life. He enjoyed fishing any time he could get on the water, and his absolute favorite place was the beach. He always enjoyed spending time with those he loved. His face would light up when talked about his children.

David was preceded in death by his grandparents, Paul and Nadine Manning and Clyde and Zeola Tucker. He is survived by his wife Joy Manning; his daughter Brooke Manning of Denton, TX; his son Blake Manning (Whitney) of Lewisville, TX; his stepdaughters Whitney Harrison (Will), Chelsey Wilson (Jason), Amorey Jackson, and Malorey Longcrier (Zak); parents Larry and Beth Manning of Denton; siblings Dianne White (Paul) of Denton, Donald Manning (Suzanne) of Argyle; and many extended family members and friends.

Visitation was held at Gateway Baptist Church on Friday, May 28, 2021 at 12:30 pm. Funeral followed at 2:30 pm.

Judy Darlene Sartor

June 29, 1958 - May 10, 2021

Judy Darlene Sartor, 62, was called home Monday, May 10, 2021 in Denton, TX surrounded by loved ones.

Judy was born June 29, 1958 in Denison, TX to James Andis and Lorene (Bentley) Sartor. She graduated from Airline High School in Bossier City, LA in 1976 and later moved back to Texas. She went to work for Southwestern Bell in Dallas, TX. Judy met her best friend in life, Teresa Starr, in 1980 and later moved to Denton, TX.

In her younger days, Judy could be described as a wild child. She had a beautiful smile and infectious laugh. Her southern accent was bold and charming. Judy's favorite pastime was shopping and socializing. When the MS altered her life forever, she learned how to use the internet. It allowed her to keep up with her family/friends, the news, and her shopping habits. She also had a great love for animals, after her poodle Jumper passed, she only had cats. Her favorite felines were Beano and later in life it was all about Miles. But she never met an animal that she didn't love.

Judy is survived by her best friend, Teresa Starr of Sanger, TX; brothers, James Ray Sartor and wife Chrissie of Denton, TX and Daryl Lynn Sartor of Denison, TX; brother-in-law, Jon Hansen of Denton, TX; nephews, Jon Neil Hansen and wife Leigh Ann of Lewisville, TX, and James Ryan Sartor and wife Kaci of Bowie,

TX; niece, Alicia Rai (Sartor) Neal and husband Kevin of Pilot Point, TX; and great-nieces and nephew, Tiffany Sartor, Madison Hartin, and Daniel Sartor. She will also be missed by many other dear family members and friends.

Judy was preceded in death by her parents, James and Lorene; and sister, Brenda (Sartor) Hansen.

A graveside service will be held at 1:00PM, Saturday, June 5, 2021 at Preston Bend Cemetery in Pottsboro, TX. Online condolences may be shared at www.slaymemorialfuneralhome.com.

In lieu of flowers, donations may be made in Judy's name to the National Multiple Sclerosis Society, www.nationalmssociety.org/donate. Select "Give in Honor or Memory" and follow the instructions.

Arrangements are under the direction of Devon Calverley and Slay Memorial Funeral Center.

Stella Mae Grandfield

October 2, 1951 - May 30, 2021

Stella Mae Grandfield, 69, of Denton passed away on May 30, 2021, at her home surrounded by her family. She was born on October 2, 1951, in Sherman, Texas to Alvie and Edna (Raines) Gann.

Stella married Jim Grandfield the 24th of June 1967. They raised eight children together. She lived for her family and God. She was a giver by nature and always made sure others needs were met before her own. Stella was over the top! If she was in charge of anything, she would make sure it was two hundred times extra, as that's exactly how she wanted it. She saw joy in doing for others; she loved nothing more than to put a smile on your face. She loved like no other; no matter how many times a day you talked to her, she would always make sure you knew how much she loved you before saying goodbye.

She is survived by her husband, James, daughters, Tracy Grandfield of Denton, Toni Jones and husband Leslie of Nocona, Trista Martin of Nocona, Jami Barbour of Owensboro, Kentucky, Shawn Roof and husband Tony of Nocona, son, James Grandfield, and wife Lula of Vernon, twenty-three grandchildren and numerous great-grandchildren.

She was preceded in death by her brother, Ronald Gann, her mother and father, Edna and Alvie Gann, daughters, Georgia Martin and Terri Harrell, and grandson Kerry Jones.

The family will greet friends on Friday, June 4, 2021, from 9-10 AM at Gribble Springs Baptist Church in Sanger. Funeral services will begin at 10:00 AM at the church. Interment will follow at Gribble Springs Cemetery.

OBITUARIES...

Dora Lee Hale

February 3, 1943 - May 27, 2021

Dora Lee Hale, aged 78, of Denton passed away on May 27, 2021, in Denton. She and her twin, Cora, were born in Lewisville, Texas on February 3, 1943 to Charlie and Elsie (Graham) Howard.

She lived a life of service. She served God, family, and her community. She graduated from Cook County College with an L.V.N. degree. Working alongside her sister, Cora, they served 25+ years in the geriatric community and Denton State School. Once approved, she would even bring home residents of the Denton State School to her home to serve them a nice meal.

When she wasn't working she spent her time caring for her family, her animals, and her plants. She truly lived a life of love.

She was always with family. Any time or day of the year, she would have her family around her. Even when she worked overnight, she generally had a grandchild or two in tow. She especially loved a game of Skip-Bo, in which she became extremely competitive.

She was proud of and a defender of her children, grandchildren, and her vividly colored walls. She often shared memories of Mr. Ponder (her youngest son) and her second youngest son who "could never lie." In addition, on many occasions when her grandchildren were being "wrongfully" disciplined by their parents, she was well known for coming to their aid and getting them out of trouble...one way or another. Early in the mornings you would find her filling up her very bright blue and pink kitchen with the smell of her scrumptious biscuits and gravy for anyone that happened to stop by that morning.

Her adventurous spirit led to many side trips to WinStar where she played the best games of hide and seek. Once you dropped her off at the door, you had to find her. She was so skilled that she generally could not be located until she appeared next to you.

Her laughter was contagious to all regardless of the circumstances. You could find her laughing at a multitude of scenarios from decorating gone wrong to mowing down her own trees accidentally. She will be remembered for all the times she laughed "with" us.

She is survived by her daughters, Patti Malik and husband Saeed of Krum; Lisa Hale Grant and husband Calvin of Dandridge, Tennessee; sons, Kenneth Hale and wife Shannon of Sanger; Lonnie Hale and wife Brandy of Denton; sister Carol Webb and husband Paul Webb of Ponder; brother Joe Howard and wife Cheryl Howard of Ponder; thirteen grandchildren and fifteen great-grandchildren.

She was preceded in death by her husband, Nolan Hale, son, David Hale, sisters Barbara Corley, Cora Hilliard and Linda Starr, brother, Wayne Howard, and her mother and father.

Please join them to celebrate her life on Thursday, June 3rd. The family will receive friends from noon until 1:30 PM at DeBerry Funeral Directors in Denton, Texas. A graveside service will be held following the visitation at 2:00 PM at Jackson Cemetery in Krum, Texas. Pallbearers are Jody Hilliard, Josh Hilliard, Eddie Webb, Wesley Webb, Curtis Hale, Christian Hale, Craig Locke, Aaron O'Dell, Marcus O'Dell, Robert Hale, and Kelley Frailey.

Ruby Kerner

May 11, 1929 - May 30, 2021

Ruby Kerner passed away on Sunday, May 30, 2021, to be with the Lord and her beloved husband, son, and other friends, and family members.

She was a lifelong resident of Denton and Denton County. She was born in Argyle, Texas on May 11, 1929, to Oscar Pearson and Elsie Hampton Pearson. She was the granddaughter of early Argyle settlers, Tom Hampton, and Sarah (Sallie) Wood Hampton.

Her family moved from Argyle to Denton when she was 6 years old. She has lived in Denton since that time, attending Robert E. Lee Elementary and Denton High School. She graduated in 1946. She attended Texas Woman's University (previously Texas State College for Women).

Ruby was married to Melvin Kerner on February 19, 1949. They were married 48 years at the time of his death on May 28, 1997. She is also preceded in death by her oldest son, Larry Kerner, in 2014. Also preceding her in death were her sisters Mildred Cockrell, and Dorothy Archer, brothers Newt, Vernon, Monroe, Wayne, and Alonzo Pearson. Her three nephews, Donald, George, and Michael Cockrell also preceded her in death, as well as her parents and other nephews.

During her lifetime, she was in banking for over 30 years, beginning with First State Bank downtown. She joined US Bank in 1963. She retired in 1991 as Vice-President in the Trust Department. Ruby served in all departments of the bank and still treasured her many friends made during this time.

She was a member of the National Association of Bank Women and various business clubs. She was a member of Asbury United Methodist Church for over 50 years.

Ruby is survived by her son, Tommy Kerner and wife Christy of Sanger, and daughter-in-law Donna Kerner of Denton. The other loves of her life were her four grandchildren, Shannon Floyd (Jonathan) of Little Elm, Shelby Denison (Zach) of Denton, Jake Kerner (Robyn) of Washington, and Chad Kerner (Jamie) of Sanger, Tx. She is also survived by numerous nieces and nephews and close friends who were like family to her.

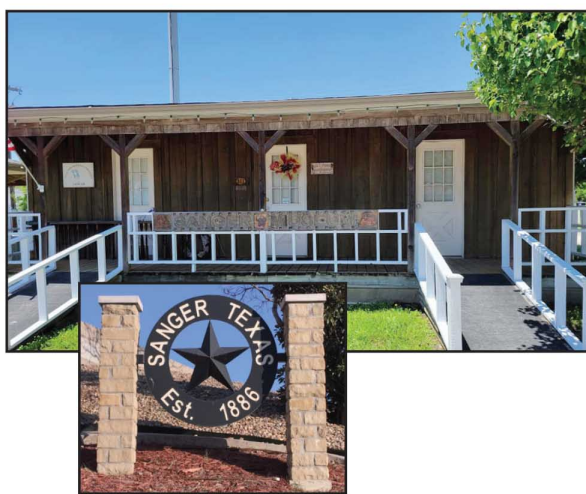

The highlights of her life were her 5 great grandchildren, Landon Kerner, Colin Kerner, Kori Kerner, Jameson Floyd, and Jaxie McGaha.

The family wishes to express their gratitude to Pastors Buster Noah and Garry Jordan; to the Trio Home Health and Hospice nurses; to neighbors Marvin and Lisa; and to (niece) Teresa Young and close friend, Roseann Beck, who each tenderly cared for her and provided extra support.

Visitation was Wednesday, June 2, 2021, from 1:30 - 2:30 p.m. in the Chapel of DeBerry Funeral Directors, Funeral services began at 2:30 with Rev. Buster Noah officiating. Burial followed at Roselawn Memorial Park in Denton.

In lieu of flowers, Ruby wishes that donations be made in her memory to Asbury United Methodist Church 117 West Hercules Lane Denton, TX 76207.

The grandmother was told by Police to get out of her car. Intoxication and 774 placed her under arrest for assault. I assisted 774.

200 block Fifth N- Her and her boyfriend bought a car together, both are listed as owners. The boyfriend is now ex-boyfriend and told her to stop calling or he would file charges and then he changed his number. She wanted to talk to the Police because she will eventually need his number when the car needs to be fixed. Told her if they broke up and she keeps the car then she is responsible for the car and not to call him if he told her not to. She was confused because he is part owner. I suggested she find a mutual friend that could communicate for them until they can get along.

800 block Third N- I made contact with the caller who stated her roommate was being violent and wanted to know her options. I advised her there are pursuing charges, evicting, or leaving her home. Passenger just got out of the vehicle, not holding any alcohol. Driver just came and got more beer. Left southbound on David... intercepted at David and Freese and stopped at Indian Car Wash. Both subjects looked shady as an oak tree. Neither could give a good reason for being on David or why the driver was running down the street with a beer in his hand. Located a bag of meth in the sweat band of the perp's ball cap that was sitting on his melon. Immediately started talking about how he knew it was a set up. Perp's arms were covered in open sores consistent with IV drug use. Vehicle search revealed a brand spanking new meth pipe still in the wrapper. One perp was allowed to leave with the vehicle. The other perp was placed into DCSO Jail for CS PG 1 < 1 g.

800 block Stemmons S- Employee has caller's truck and has not brought it back for 3-4 days. The truck was taken from storage where the caller has a shop; the caller is at the shop right now. The employee was allowed to drive the pickup as an employee of the caller. Employee was fired on Sunday 05/02/2021 and allowed to drive the truck to his residence to unload his tools and then bring the truck back. Caller stated that the employee never brought the truck back. Caller claims that the employee is saying that he has a bill of sale for the truck. Caller claims that he did not sell the truck to the employee. Caller claims that the truck belonged to his dead father and he would not sell it. The truck is white in color, 2000 single cab Chevy Silverado with the right-front door handle torn off. A written statement pending from Caller. Entered in TCIC/NCIC as stolen.

He did state he was tired and suffers from insomnia. I provided the mother with the MHMR Crisis Line for further assistance at this time. I spoke with MHMR and a CIT Deputy and advised both of them I did not observe enough of the mental deterioration at this time to contact either one. I advised them I spoke with the mother about the issue as well. I advised MHMR if the family needs us to contact 911. No further action has been taken at this time.

I advised the caller that it was a civil issue and the homeowner is supposed to provide 24 hour written notice before entering the residence. I advised them if the homeowner does arrive on scene and enters the residence without a written notice we cannot remove said owner, but we can document for a civil action later. They stated they understood, I also advised the renters to contact 911 if the homeowner arrives and causes a disturbance. No further action has been taken at this time.

500 block Elm St- Contact with two theft suspects from 05-10-21. Both admitted to the incident and were issued a citation. No further information.

Actor is no longer on the scene; B/M athletic build, not too tall and not too short, dark grey compact car Sedan, UNK color, but wearing tank-top and shorts. POSS dark color clothing. Caller believes actor headed towards I35. Incident occurred approximately 15-20 minutes ago. Delay due to calling mother first and not knowing if they should call in or not. Advised we'd keep an eye out but requested they call immediately if it happens again.

100 block David Dr- Someone was getting beat up; one just took off in a 90's model maroon Chevy pick-up. Truck was going southbound in the northbound lanes of the service road. Eventually located and arrested for evading with vehicle, resist arrest and DWI. Additional subject arrested for hindering.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN WATER QUALITY PERMIT AMENDMENT

PERMIT NO. WQ0014372001

APPLICATION. City of Sanger, P.O Box 1729, Sanger, Texas 76266, has applied to the Texas Commission on Environmental Quality (TCEQ) to amend Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0014372001 (EPA I.D. No. TX0022403) to authorize adding an outfall, the addition of two phases, and an increase in the discharge of treated wastewater to a volume not to exceed a combined annual average flow of 1,860,000 gallons per day. The domestic wastewater treatment facility is located at 300 Jones Street, Sanger, in Denton County, Texas 76266. The discharge route is from the plant site via Outfall 001 to Ranger Branch; thence to Paddock Lake; thence to Ranger Branch; thence to Clear Creek; thence to Lewisville Lake and via proposed Outfall 002 to Ranger Branch; thence to Clear Creek; thence to Lewisville Lake. TCEQ received this application on April 5, 2021. The permit application is available for viewing and copying at City of Sanger Development Services Building, 201 Bolivar Street, Sanger, Texas. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For the exact location, refer to the application.

ADDITIONAL NOTICE. TCEQ's Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submitting public comments.**

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing.** A contested case hearing is a legal proceeding similar to a civil trial in state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period and, the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commission for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.**

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

Weigh-in

(Continued from pg. 1)

presents issues with warm water, compounding the potential stress on the fish in transport," said Gene Gilliland, B.A.S.S. conservation director.

Gilliland, a former fisheries biologist and assistant chief of fisheries for the Oklahoma Department of Wildlife Conservation, collaborated on a first-of-its kind fish care plan with his peers at Texas Parks and Wildlife. Included on the planning committee were B.A.S.S. tournament managers having extensive experience with long-distance transport of bass and related tournament logistics. Following thorough discussions, an enhanced fish care plan was agreed upon for the June 11-13 competition days.

Most notable, the number of bass transported round trip from the lake to the arena will be reduced by 50% when the full field competes on Friday and Saturday.

"Reducing the transportable catch by one half on those days allows us to maintain a traditional Classic arena experience for the fans and TV, while prioritizing conservation of the catch during the

warm weather," said Gilliland.

On Friday and Saturday, the anglers will return to the launch site at the Ray Roberts State Park's Isle du Bois Unit, which will be closed to public access during the afternoon. The boats will be trailered and moved to a weigh-in station near the ramp. The anglers will bag their catch and have it immediately weighed. The weight will not be shared with anyone until the anglers arrive at the arena.

"Every fish will be weighed on the same scale, unlike other catch-weigh-release tournaments that use a separate handheld scale for each angler," said Gilliland. "We are doing that to maintain the integrity of the Classic, to avoid any weight discrepancies in bass fishing's world championship event."

To expedite the weigh-in process, there will be no emcee, spectators or live media coverage at the remote site, although B.A.S.S. camera crews will capture footage of the lakeside process to show fans in the arena.

Each angler will be allowed to transport the largest two bass from their five-bass limit to Dickies Arena. Immediately after being weighed, the re-

maining fish will be loaded onto one of B.A.S.S.' Yamaha/AFTCO live release boats. Water temperature and oxygen levels in the transport tanks aboard the boats will be monitored and maintained to prepare the fish for release back into the lake following the weigh-in.

Texas Parks and Wildlife biologists will be at the remote location to assist preparing the fish for transport back to the arena. Water temperatures in the anglers' livewells will be monitored, oxygen will be added as needed, and calculated amounts of ice will be added to reduce stress and slow metabolism.

In Fort Worth, more Texas Parks and Wildlife biologists will assess the fish upon their arrival in the outdoor staging area. Oxygen and ice will be added as needed to livewells while the boats wait to enter the arena.

Anglers will display up to two bass to the fans as the official weight determined at the lake is revealed. After a few quick photos, the fish will be taken backstage where awaiting Texas Parks and Wildlife biologists will load the fish into aerated hatchery trailers for transport back to Ray Roberts.

B.A.S.S. staff will be waiting with the release boat to assist TPWD in releasing the fish.

On Championship Sunday, the 25 finalists will bring up to a five-bass limit back to the arena, following the same fish care protocol as the previous days. The catches will be weighed on stage, and the fish transported back to Ray Roberts for release.

"Texas Parks and Wildlife was very involved in every step of this plan. We will be supporting their efforts to ensure the fish caught from Ray Roberts, will be returned to Ray Roberts, to be caught again by Texas anglers," said Gilliland.
