**Fireworks stands hoping for big sales this holiday**

Fireworks stands could see record sales this week since most public fireworks shows were canceled due to COVID-19. It is illegal to set up fireworks in the city limits of Sanger. But, you can shoot them off outside of the city limits. And, the firework stand at 2845 View Road in Sanger (next to McClain's RV) has a pop site and for \$20 you can set off your fireworks, as of Wednesday, before the Sanger News press deadline. There isn't any Denton County burn restrictions, with all the recent rains. The owner of Precision Fireworks has five locations (Sanger, Krum, Era, Mountain Springs and Tioga). Sanger's location has the only pop site. He said that restrictions from the CO-VID 19 could shut down the site, but he's hoping not. "Things are changing day to day and minute to minute." But, you can set them off on private property in Denton County, outside the city limits. There are plenty of fireworks stands around Sanger to fill your needs this week.

**What is legal and where can I go to shoot off fireworks?**

It is legal to discharge fireworks on your private property or on private property of another with the owner's permission in the unincorporated areas of Denton County. This rule does not supersede a city's ability to regulate the discharge of fireworks within 5,000 feet of their city limits.

**Municipalities and Lakes**

Most cities have ordinances prohibiting the sale, possession and discharge of fireworks within their city limits. Some larger cities can enforce certain ordinances within their extra territorial jurisdiction (ETJ) and may include the possession and discharge of fireworks. If you reside with-

in the ETJ of a city in Denton County, please check with that city prior to discharging fireworks in their ETJ.

Possession and or discharge of fireworks on U.S. Corps of Engineer Property is illegal. This includes most parks and property adjoining Lake Lewisville and Lake Ray Roberts.

Always seek permission from landowners prior to discharging fireworks on private property.

**Prohibited Use of Fireworks**

A person may not:

1. explode or ignite fireworks within 600 feet of any church hospital other than a veterinary hospital asylum licensed child care center or a public or private primary or secondary school or institution of higher education unless the person receives authorization in writing from that organization;
2. sell at retail, explode or ignite fireworks within 100 feet of a place where flammable liquids or flammable compressed gasses are stored and dispensed;
3. explode or ignite fireworks within 100 feet of a place where fireworks are stored or sold;
4. ignite or discharge fireworks in or from a motor vehicle;
5. place ignited fireworks in, or throw ignited fireworks at, a motor vehicle;
6. conduct a public fireworks display that includes Fireworks 1.3G unless the person is a licensed pyrotechnic

**Gov. Greg Abbott orders Texas bars to close again and restaurants to reduce to 50% occupancy as coronavirus spreads**

The moves, announced last Friday morning, represent Abbott's most dramatic action yet in response a surge in cases after he allowed businesses to reopen in the state.

Gov. Greg Abbott on Friday took his most drastic action yet to respond to the post-reopening coronavirus surge in Texas, shutting bars back down and scaling back restaurant capacity to 50%.

He also shut down river-rafting trips, which have been blamed for a swift rise in cases in Hays County, and banned outdoor gatherings of over 100 people unless local officials approve.

"At this time, it is clear that the rise in cases is largely driven by certain types of activities, including Texans congregating in bars," Abbott said in a news release. "The actions in this executive order are essential to our mission to swiftly contain this virus and protect public health."

Bars closed at noon Friday, and the reduction in restaurant capacity took effect Monday. Before Abbott's announcement Friday, bars were able to operate at 50% capacity and restaurants at 75% capacity.

As for outdoor gatherings, Abbott's decision Friday represents his second adjustment in that category this week. Abbott, last week gave local governments the choice to place restrictions on outdoor gatherings of over 100 people

after previously setting the threshold at over 500 people. Now outdoor gatherings of over 100 people are prohibited unless local officials explicitly approve of them. State officials have noted that case numbers in Texas began to increase around Memorial Day weekend, and have expressed worry about big public gatherings for Fourth of July.

Abbott's actions Friday were his first significant moves to reverse the reopening process that he has led since late April. He said Monday that shutting down the state again is a last resort, but the situation has been worsening quickly.

Abbott put Texas under what was effectively a stay-at-home order for most of April, shutting down all but businesses considered essential by the state. After letting that order expire at the end of April, he moved forward with a phased reopening of the state that was one of the earliest and quickest in the country. By early June, Abbott had permitted almost all business to open at at least 50% capacity.

But cases have climbed rapidly in recent weeks. There has also been rapid rise in the state's positivity rate, or the ratio of tests that come back positive. The rate, presented by the state as a seven-day average, has gone up to 11.76% — where it was at in mid-April and above the 10% threshold that Abbott has said would

(Continued on pg. 4)

**SHS Cross Country coach takes job at Flower Mound High School**

*Davidson guided a team to state 12 out of 13 years*

Sanger High School Cross Country coach Clint Davidson, recently took the job at Class 6A Flower Mound High School. He was at Sanger for 13 years. During those years, the Cross Country team competed at State as a team 12 out of the 13 years (either boys/girls or both). In 2015, SHS was State runner up for girls' team and 3rd place for boys' team. In 2012, SHS was the State Champions for the girls and in 2010 and 2011, SHS was the State runner up for boys.

"I enjoyed my time at Sanger and I can't believe it has come to an end. I have met and worked with so many great people at Sanger. The community was always supportive of our program and I will miss all of the relationships I have made with all the parents of the athletes. They are truly part of my own family. I will miss the athletes more than they will ever know," said Davidson.

In track, SHS had multiple individual distance runners make it to the State track meet, including a State Champion in the 3200, and runner up and 3rd place finishes in the mile.

In addition, the Cross Country program has had numerous Valedictorian and Salutatorians on the team and 21 long-distance runners have gone on to compete at a collegiate level which he is very proud of.

"I took the job at Flower Mound High School to compete at the highest level and push myself even farther in my career. It was definitely the hardest

decision I have ever made taking the job. I will treasure the memories that I made at Sanger and will continue to support the team and athletes in the future. I have so many people to thank but that would take forever."

He feels confident in the program, "Even though I'm leaving because of the new hire of Chase McMichael, husband of my ex-athlete, Kourtney Ceballos. He has the love and passion for the sport as I did when I first started. I wish him and the athletes the best of luck."

Coach Davidson was loved and respected by all the runners in the SHS and SMS program. He encouraged anyone that liked to run to come out for the team. His passion was contagious as he built Sanger in to one of the most respected programs in Class 3A and 4A.

Coach McMichael will be at the Salt Creek Retreat Cross Country Camp this month in Ringling, OK. Salt Creek Retreat has hosted this camp for 10 years now for SHS and SMS runners. For more information about the camp, see the Sanger Cross Country Facebook page or email camp director: leisha.masters@yahoo.com. Check out the Salt Creek Retreat Facebook page or their website at www.saltcreekretreat.com.

## OBITUARIES...

### Rebekah Ann (Ramsey) Nettik

December 21, 1956 - June 25, 2020

Rebekah Ann (Ramsey) Nettik, known to most as Becky, passed away on Thursday, June 25, 2020, surrounded by her family in Sanger at the age of 63. The youngest daughter of Horace and Hazel (McRight) Ramsey, Becky, was born on December 21, 1956, in Sanger.

She attended school in Sanger and was a graduate from Sanger High School with the Class of 1975. She was a lifetime member of the Church of Christ in Sanger. On August 6, 1978, she married Michael Danny Nettik in Odessa, Texas. They made their

home in Sanger, where they raised their two sons. Rebekah worked for Day-break Venture for 25 years, where colleagues became her extended family. Fun, witty, and a great sense of humor describe Becky, most importantly, a loving wife and mother.

Becky was preceded in death by her parents and one sister Judith Hughes. Those who will cherish her memory are her husband Danny of Sanger; two sons Jacob Daniel Nettik of Colorado Springs, CO, Michael Gerald Nettik and fiancée Sierra of Sanger; and one brother Gerald H. "Jay" Ramsey of Las Vegas, NV.

Visitation was Sunday, June 28, 2020, from 2 - 4 pm at Coker Funeral Home in Sanger. Online condolences may be made to [www.cokerfuneral-home.com](http://www.cokerfuneral-home.com).

## Denton County Commissioners Court encourages residents to wear face coverings

June 30, 2020 – Denton County Commissioners Court is encouraging residents to wear face coverings.

Denton County is currently experiencing an increasing number of positive laboratory-confirmed cases of COVID-19

"As the rate of positivity increases for COVID-19 in Denton County, we believe it is important that residents follow several basic health guidelines that will help keep everyone safer," said Denton County Judge Andy Eads.

During the meeting, Dr. Matt Richardson with Denton County Health Department recommended all community members utilize masks or cloth face coverings when in public and around individuals not in their household.

Face coverings help capture respiratory droplets of those with COVID-19 and keep them from spreading to others. Those without COVID-19 who wear face coverings will also reduce their risks for contracting the virus.

Other tips include:

- Practicing social distancing to reduce the possibility of viral transmission. The Centers for Disease Control and Prevention suggests at least six feet of separation between individuals.

- Cleaning and disinfecting commonly touched surfaces and frequent hand washing to reduce the risk of infection.

Denton County will soon launch a campaign, "#MasksMakeSense," on social media to encourage the wearing of face coverings throughout the county.

Denton County Commissioners Court also extended the Disaster Declaration and Executive Order of Denton County Commissioners Court until 11:59 p.m. on June 30, 2020.

Denton County Commissioners also unanimously agreed to provide tax relief to homeowners at 1 percent of their homestead property's value but not less than \$5,000. The homestead exemption will be applicable to the current year's property tax bill, which will be sent out beginning this fall.

## 10<sup>th</sup> Annual Community Clothes Swap

\*\*\*Postponed\*\*\*

After much prayerful consideration, the Clothes Swap Committee has determined that due to the current COVID-19 environment, we will not be able to facilitate the event this summer. However, our plan currently, is to closely track CDC recommendations and try to plan for later this year. Our highest priority is the well being and safety of our friends, neighbors, and our community.

## Financial FOCUS

By Allen Chick, Edward Jones

### Managing Withdrawals Carefully Can Protect Retirement Income

Throughout much of your working life, you contribute to your 401(k), IRA and other investment accounts to help ensure a comfortable retirement. However, once you do retire, you'll need to shift your focus somewhat from building these investments to using them – in other words, you'll have to start withdrawing from your portfolio to meet the costs of living. How can you be sure you're not taking out so much that you risk out-living your resources?

First of all, you need to establish a proper withdrawal rate – the percentage of your portfolio's value needed for one year's worth of retirement expenses. Ideally, if you were to stick with this rate, your portfolio would last as long as you do. Your withdrawal rate should be based on a number of factors, including your age, amount of assets, portfolio mix and retirement lifestyle. A financial professional can help you determine the

rate that's right for you, but it's important to understand that this rate is a starting point since you will want to review your withdrawals each year to ensure they are still appropriate.

If the financial markets performed smoothly and predictably, year in and year out, any adjustments you make would likely be more modest. But, as you know, and as we've all been reminded the last several months, the markets are neither smooth nor predictable. Rather than constantly trying to change your withdrawal rate and spending in response to movements in the markets – which may be challenging if you have grown accustomed to a certain standard of living – you might be better off adopting a more conservative rate at the beginning of your retirement. For example, if you are in your mid-60s, you could start at a withdrawal rate of about 4%, which also assumes an increase in withdrawals (a "raise") of approximately 3% each year to incorporate inflation. By starting at a more modest withdrawal rate, you would have some flexibility for those years in which the market drops significantly. And you could increase your chances of extending the lifetime of your portfolio.

But even if you started out with a conservative rate, you may need to review it during periods of extreme market movements. If, for instance, your portfolio were to fall 20% in one year, the 4% you had planned to withdraw would actually become 5% because you're taking out the amount you had planned, but now it's from a smaller pool of money. If this happens, should you consider making an adjustment?

There's no easy answer. The amount you withdraw from your portfolio has a major impact on how long your money lasts. You'll improve your likelihood of success if you are able to be flexible and make some spending adjustments – spending less on some of your discretionary items, for example, or not taking a "raise" until your portfolio recovers. Importantly, your financial advisor can help run different scenarios to determine if adjustments need to be made to ensure you remain on track.

In any case, think carefully about your withdrawal rate. By managing it carefully, and reviewing it over time, you can take greater control over your retirement income.

*Allen Chick is a Financial Advisor with Edward Jones in Sanger. He can be reached at 940-458-7866.*

## 5 things you need to know

1. To protect the health and safety of CoServ Electric Members and Employees, CoServ's 2020 Annual Meeting will not be held at the University of North Texas Coliseum in Denton.
2. The meeting will be conducted at CoServ headquarters in Corinth on July 16, 2020. It will be streamed live on CoServ.com, beginning at 3 p.m., and a recorded version of the meeting will be made available afterward.
3. Due to COVID-19, no public attendance will be allowed.
4. The official mail-in ballot for this year's Board of Directors election is included in the July edition of Texas Co-op Power magazine, which will be mailed to more than 200,000 CoServ Members beginning June 29, 2020. To view the candidates in this year's election, click here.
5. Each successfully completed ballot received by 5 p.m. Friday, July 10, 2020, will be entered in a random drawing of 50 \$100 bill credits.

For more details, please visit [CoServ.com/AnnualMeeting](http://CoServ.com/AnnualMeeting).

### Abbott

(Continued from pg. 1)

cause alarm for the reopening process.

Abbott specifically cited the positivity rate in explaining his actions Friday.

"As I said from the start, if the positivity rate rose above 10%, the State of Texas would take further action to mitigate the spread of COVID-19," he said.

And later Friday, Abbott expressed regret for how he handled the reopening of bars in the first place.

"If I could go back and redo anything, it probably would have been to slow down the opening of bars, now seeing in the aftermath of how quickly the coronavirus spread in the bar setting," he said during an evening interview with KVIA in El Paso.

"We want this to be as limited in duration as possible. However, we can only slow the spread if everyone in Texas does their part," Abbott said. "Every Texan has a responsibility to themselves and their loved ones to wear a mask, wash their hands, stay six feet apart from

others in public, and stay home if they can."

Some local officials and business leaders also urged Abbott to do more, especially with regard to face masks.

The Texas Restaurant Association also reiterated its push for a statewide mandate on masks, removing the burden from restaurants to enforce policies themselves. Abbott previously banned counties and cities from enforcing mask policies on individuals, but later allowed them to fine businesses who didn't require them. This means restaurants can face fines for not enforcing the policies.

In an already bleeding industry, this puts restaurant employees in a dangerous and unfair situation, said Emily Williams Knight, president of the Texas Restaurant Association, during a virtual press conference Friday morning.

"We're currently projecting 30% of our restaurants could close. We'll see what the next couple weeks bring, but that number could accelerate," she said. "I don't think the 50% [capacity limit] alone will be the driver. I think it's part of a much larger puzzle that restaurants are carrying the burden on right now — many are not going to make it."

# Sanger Library's Summer Reading Program is Underway!

By Audrey Tolle

Like many activities around the world over the past few months, the library's Summer Reading program went mainly virtual this year. The start date was moved from late May to June 15th to allow for the variety of alterations that needed to be made, both in the summer program and in the library's limited reopening.

Some of the performers that were booked well before March for live shows in June and July are doing online versions at a reduced rate, beginning with the "James Wand: Secret Agent Magic Show" video, which appeared on the library's Facebook page last week and, in case you missed it, is still accessible for viewing! Two different take-home craft kits for elementary age children are also still available, one for making fire breathing dragons and the second for building your own catapult. They can be picked up by making an appointment for either curbside pickup or an in-library visit.

Library staff created more fun activities, or "missions" that participants who register using the new READSquared software can do remotely to earn virtual badges and real prizes, in addition to logging their reading. So far almost as many adults have registered as children and teens, but hopefully more of the younger age groups will come around soon, perhaps with a little encouragement from parents and other grown-ups! Getting started is easy, either by going to the library's website at <http://sangerlibrary.org/> and scrolling down to the light green Summer Reading icon, or downloading the READSquared app on your smartphone or tablet.

More exciting events are planned for July, including a sidewalk chalk challenge and a music program with local guitar teacher Nikolas Woods on Saturday, July 11th! Check out our website and Facebook page for details.

At Sanger High School, preparing for the upcoming school year. Custodians, coaches, teachers, directors, and administrative team are putting in tireless hours planning for a safe return. They are dedicated to providing the best learning atmosphere for SHS students. They are discussing procedures and protocol for the campus, as well. SISD is coming up with three plans to consider: A) Opening the school with no restrictions; B) Brick and Click - Some students will be in class and some will do remote learning; C) Click Only or Remote Learning Only. SISD is expected to implement one of the plans and will have an announcement in the coming weeks. School is scheduled to start on August 12. SISD Superintendent Dr. Tommy Hunter said last week he doesn't anticipate the drafted school calendar (dates) to change, with any of the plans listed above.

# SHS and SMS workouts resume July 6th

## Champions Camp Update for July

Nearl two weeks ago, a parent of a student-athlete received a positive test result for COVID-19. However, this athlete had participated in summer conditioning on Sanger ISD athletic facilities and was in attendance June 17. For privacy reasons, SISD cannot communicate what groups this student participated in or the name of the student and their family. Because this student participated in strength and conditioning, inside the weight room, and inside the gyms any athlete who participated in these activities was potentially exposed despite the cleaning efforts.

In response to this test result, Sanger ISD took the recommended precautions of the Texas Education Agency and the local health authorities.

All athletic summer training was canceled for two weeks. All Sanger ISD athletic facilities, including fields, tennis courts, tracks, were closed to the public during this time as well. Coaches are resuming their sessions on July 6, 2020.

Beginning July 6, Sanger ISD will have the following precautions implemented:

- An electrostatic sanitation sprayer that uses a heavy-duty, quaternary cleaner, disinfectant, and sanitizer that remains on surfaces for 7-10 days will be sprayed on every surface in the facility daily.
- Athletes and coaches are to observe social distancing protocols whenever possible.
- Coaches and trainers will sanitize equipment in between athlete rotations.
- Hand sanitizer dispensers are available inside of the weight room, in addition to at the entrance for locker rooms, coach's offices, training rooms, and weight rooms.
- Students' temperatures will be taken before entering the workout session daily.
- In addition, students will only be allowed to enter the session if:
  - They have no symptoms
  - They have received a negative COVID-19 test result if they've been tested.
  - If a student has been tested and not received their

Dates, Times, & Details for the Camp:

- Monday to Thursday: Subject to Change
- 7-8 AM—45 minutes of Football Skills for 7-12th grade on the football/practice field areas (if you do not play football you will not report until 7:58AM)
- 8-8:45 AM & 8:45-9:30 AM 7-9th grade & 10-12th grade will do agility and weights separately.
- 10:30-11:30 AM—45 minutes of Basketball Skills for 10-12th grade (if you do not play basketball you can leave at 9:30 AM)
- 9:45-10:30 7-9th grade at the Indian Gym at the Middle School on Mondays and Thursdays only unless we are off that day

**July 6th Camp Week 3: Monday July 6th and Thursday July 9th**  
(Off Tues July 7th & Weds 8th per UIL guidelines)

•Basketball Skills at for middle school and high school at the Indian Gym this week

**July 13th Camp Week 4: Monday July 13th to Thursday July 16th All Week**

•Basketball Skills at for middle school and high school at the Indian Gym this week

July 20th Camp Week 5: Wednesday July 22nd and July 23rd  
(Off Mon July 20th & Tues July 21st per UIL guidelines)

•Basketball Skills at for middle school and high school at the Indian Gym this week

**July 27th Camp Week 6: Monday July 27th to Thursday July 30th All Week**

•Basketball Skills locations and times TBA for this week

Monday July 27th High School Parent Football Meeting and Equipment Issue at 6:00 PM

Monday August 3rd High Football Season Officially Begins

Monday August 10th Middle School Football Parent Meeting and Equipment Issue at 6:30 PM

result, they may not attend the session.

• If a student develops symptoms, we encourage them to be tested for COVID-19.

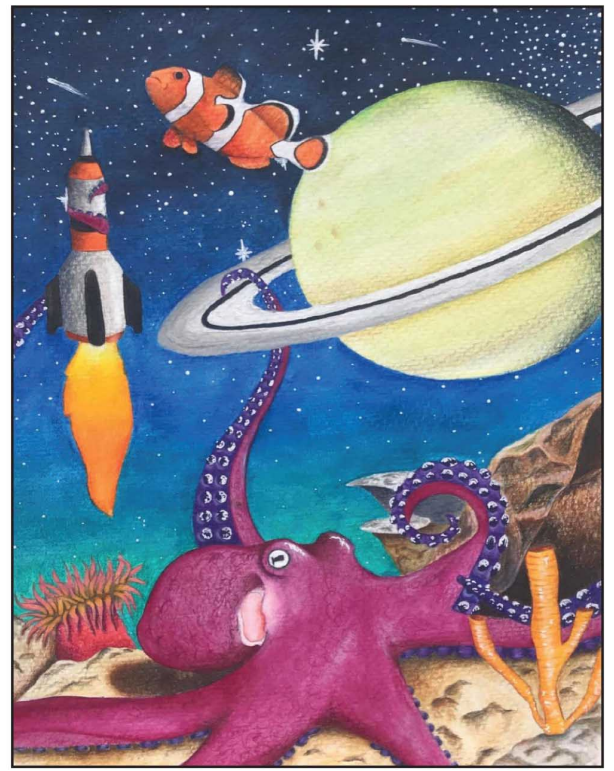

"We encourage you to vigilantly monitor for signs and symptoms of illness, and should such symptoms be present we strongly encourage you to get tested. If such symptoms are present when we resume, please refrain from attending. We also ask that you keep the coaching staff informed of any test that is done and its subsequent results.

These summer workouts and training sessions are completely voluntary, and no athlete will receive consequences of any kind should they choose not to participate," according to the SISD letter that was posted on the website.

### Attention Sanger High School students-

Did you know that Sanger High School has a competitive bass fishing team?! Our 1st tournament will be in September 2020, so we are already making preparations for the 2020/2021 team. If you are interested in joining, please contact Shauna Falcinelli at shauna.falcinelli@sangerisd.net for more information.

Two recent SHS graduates made a big showing at the Congressional Art Competition. SHS is so proud of their work and amazing talent! And, a big shout out to their Art teacher, Ms. Musick, for pushing them to greatness!

## SANGER HS BAND 2020-2021

Don't forget to complete your commitment form and register for the fall. The commitment form can be found at <http://ow.ly/R5kM50AfUd0> and registration form can be found at <http://ow.ly/eM9f50AfUo6>. Both forms are necessary.

### COMMITMENT FORM

All students new or returning for the 2020-2021 season need to complete the commitment form immediately to secure their spot in the fall show.

### REGISTRATION FORM

Register for items required for marching season to plan your budget. Partial or full payments can be made on Charms once registered. All fees due in full by 8/1. Sizes can be changed on 8/1 if needed.

### SISD hires new Band Director Mike Sheffield

Sanger ISD hired new SHS Band Director, Mike Sheffield, recently. He is in his 25th year of teaching. Sheffield is a graduate of Canyon High school, Class of 1988, and received his bachelor's in music education from West Texas A&M University in 1995. He assisted the Randall HS band for three years and took his first head directorship at Palo Duro HS.

Mike Sheffield and wife Michele.

He has been the head director at Canyon HS since 2000. Bands under Mr. Sheffield's leadership have consistently received first divisions, sweepstakes, and best in class or finalist from multiple competitions. His bands have been to the state marching contest five times and were named a finalist four times, most recently in 2018, placing 4th. His concert band has been named TMEA honor band (2005).

He is an active clinician and adjudicator. Sheffield is a member of TMEA, TMAA, and Phi Beta Mu honorary band director fraternity.

Mr. Sheffield has been Zooming with current band members and has announced his registration and commitment forms. SEE ABOVE:
